Shen Yun's unique artistic vision expands theatrical experience into a multi-dimensional, deeply moving journey through one of humanity's greatest treasures—the five millennia of traditional Chinese culture.

This epic production immerses you in stories reaching back to the most distant past. You'll explore realms even beyond our visible world. Featuring one of the world's oldest art forms—classical Chinese dance—along with innovative multimedia effects and all-original orchestral works, Shen Yun opens a portal to a glorious civilization of unrivaled beauty, artistry, and inspiration.

We invite you to a world where philosophers and poets alike sought harmony with the Dao, or "Way," of the universe. Where maidens danced with ethereal grace and generals fought with explosive athleticism. Where timeless tales of valor and virtue were born. Where heaven and earth intersected. And even magic was possible.
