5. Special Education Update – Kendra Happy – ACTION step to find out what elementary CLP students are being taught around maturation/HIV
6. Upcoming parent/community classes – Just Around the Corner date being moved due to surgery for Lange, It's That Easy is coming up – fliers available
7. Community Survey – Reviewed it on line – had over 600 responses already – looked at some of the comments
8. 2019 – 2020 Work Plan review – was approved but adding CLP classroom lessons and pre/post test for HS to be revamped
9. STD update from Health Dept – stats through September
10. Upcoming meeting schedule – meeting dates for the rest of the year were announced- Jan 14, April 21 Reviewed the board report January 14 and April 21
11. Issues from the field – Trauma Informed Sex Ed training coming in January, - discussed the new law and how bc of it the school board changed a policy that talked about abortion and finings teachers if they did. Gretchen Whitmore amended the law to now say - Teachers cannot assist a student in getting an abortion. The new policy will be amended and HR will send that info out to the teachers.
12. 8:14 meeting is adjourned.
