

MEDIA / VIDEO / WEB RELEASE

Recording of various school and classroom activities through the use of photography, video, or web page equipment is done by Chippewa Valley Schools throughout the school year. The recording might circulate to other students, classrooms, be used in district publications, on the district or school web page, or be shown on local origination cable.

Please fill in the bottom portion of this notice if you **DO NOT** give us permission to photograph or video record your child.
