PRINCIPAL'S CORNER

The beginning of another school year is upon us. I trust that you had an enjoyable summer with family and friends and are ready to take on the challenges of a new year. This summer has been especially busy in the Gardner house as we moved two of our three children off to college. These types of transitions are exciting, but can also be incredibly stressful. As your own child transitions back to school, below are helpful tips to ease their stress and yours:

- * **Talk it out:** Ask your child what they are excited about. What they are worried about? The way you talk about going to school will shape how your child views it.
- * **Take a test run:** The week of August 28-August 31, our building will be open from 7:00AM-3:00PM for students to walk their schedule and practice opening their locker.
- * **Be prepared:** Practice routines and gather necessary supplies.
- * **Be involved:** Parents, we encourage you to be involved in volunteering and attending events at school. Students, get involved by taking part in sports, clubs and attending events.
- * **Be patient:** Ensure your child knows that you are there for them and allow them time to adjust.

Speaking of transitions, we have had some changes at Iroquois as it pertains to our instructional staff. Mrs. Wenz, Mrs. Mahoney, Mrs. Niester, Mrs. Bacon and Mrs. Smith have retired from education. We also had two retirements from our support staff, Mrs. Hicks and Mrs. Russell. I wish them all nothing but the best as they pursue the next chapter in life. As a result, we would like to welcome Mrs. Palmeri (7th grade ELA), Mrs. Anderson (8th grade Science/7th grade ELA), Mrs. Shain (Teacher Consultant), and Mr. Adamski (Exploring Language). Mrs. Catanese will be our hall monitor; Mrs. Koch will be our Media Clerk and we have hired Mrs. Pore as a Lunch Monitor.

Our staff has been preparing the building for the opening of school on Tuesday, September 5, 2023. The first day of school is scheduled to be a half day, with the first hour beginning at 8:05AM and our school day will end at 11:00AM. Staff members will be stationed throughout the building to direct students to their assigned rooms and assist with lockers, if needed.

If you would like to get a jump on school supplies, a suggested list by grade level can be found later in this newsletter. Teachers will also be giving a suggested supply list to your student the first day of class. Please encourage your students to bring paper and pencils to record essential information during the first day of classes. All 6th grade students will receive an agenda to use each day. All 7th and 8th grade students will be using an online agenda, which they will learn how to use in their ELA class.

If you are driving your student to or from school, the drop-off/pick-up area is at the back of the building near the tennis courts. Please follow the arrows in the parking lot and give yourself extra time. Please be aware that the circle drive at the front of the building is designated for buses before and after school. With our large student population and traffic congestion, we appreciate your cooperation by following the drop-off/pick-up procedures. The exterior doors at the main entrance and the band room entrance (door #15) will be open, the interior doors will remain locked until 7:15AM. Therefore, if a student arrives at school prior to that time, they will only be able to stand in the vestibule. Students will not be able to enter the school until the interior doors are open at 7:15AM. Once the doors are open, students must proceed to the cafeteria where they will be supervised, and breakfast will be served.

If you have any questions, please do not hesitate to reach out. I look forward to the new school year and am excited to get started!

Sincerely,
Chris Gardner, Principal

From the Desk of the AP

Welcome back Panther Nation!

They live in your house, so you probably understand how unique middle school-aged humans are. Spoiler alert... middle school teachers are not much different. The staff at Iroquois is excited to kick-off the 2023-24 school year to instruct, learn and grow side by side with our students. Every school year is just like a roller coaster ride filled with ups and downs and from time to time it turns us upside down and inside out. That is all part of the journey, and we are ready to help our students learn how to savor the highs and persevere through the lows. Thank you for allowing us the opportunity to educate your child. We strive to make Iroquois a place where all students feel safe and free to be themselves. They are not going to like everybody or everything, but we are resolute in helping students see and protect the human side of every person. That's the Iroquois Cool way.

Below are a few reminders that will help you navigate the back-to-school process. Please read through the information below for a stress-free first day of school.

Regards,
Mr. Abraham

IMPORTANT INFORMATION TO START THE 2023-24 SCHOOL YEAR

PANTHER PROWL FUNDRAISER

Our annual fundraiser is tentatively scheduled for Thursday, October 5th. The Panther Prowl is the only school-wide fundraiser for Iroquois. Proceeds from this event help fund field trips, activities, equipment, guest speakers, and more. Other fundraising events held at Iroquois will benefit outside charities, but only the Prowl directly benefits the students of Iroquois. We are always looking for volunteers to help coordinate and work this event. This year we have switched to an online format through Vertical Raise which makes it easier for family and friends around the country to join in. More details coming soon!

QUICK TIPS FOR FOLLOWING SCHOOL RULES

- Upon arrival to school, students should safely pack away their backpacks and purses in their lockers. These items are not allowed to be carried during the day.
- Cell phones – We understand the need to communicate with our children, but cell phones are not needed during the instructional school day. Cell phones should be stored in student lockers during instructional hours.
- Classes begin promptly at 8:05AM, but students should arrive a few minutes early to organize their day. We recommend all students ride a bus, if it is available to them. Students being dropped off should arrive at school with enough time to get organized for class.
- Please be mindful of our district's dress code policy as you shop for new school clothes. Our dress code can be found in the student code of conduct on the Chippewa Valley webpage. Here is an abbreviated list of prohibited clothing and items. Please see the Code of Conduct for more details.
 - * No skirts or shorts that do not extend to at least 3-4 inches down the thigh.
 - * No garments/shirts without straps
 - * Shirts/tops must cover entire area from armpit to armpit to bottom shorts, skirt, pants, etc.
 - * No hats or hoods are permitted during the school day.

ATTENDANCE AND TARDIES

Good attendance is strongly linked to academic success. Adversely, students who miss school frequently or arrive late to school and classes statistically earn much lower grades than their peers. Iroquois Middle School strongly enforces the district's attendance policies. Students with high numbers of absences from school will be referred to the Macomb County Truancy who will meet with family members to investigate the reasons for poor attendance.

Tardiness to class is also strongly enforced. Adequate time is given between classes for students to gather materials, use the restroom, or get a drink. Students with excessive tardiness during the school day will be placed on a time management behavior plan which may include limited or supervised passing time.

AFTER SCHOOL EVENTS

Iroquois encourages students to attend after school events as spectators. Enthusiastic spectators help to build school spirit and encourage students who are participating in the events. However, attendance as spectators at these events is a privilege, not a right. Students may be prohibited from attending for academic or behavioral concerns. In addition, students are not allowed to leave and return to school property before or during an event. This includes walking to 7-Eleven.

NEWS TO KNOW

Medication Administration in School

We feel this is a good opportunity to reinforce some of the key points in the Chippewa Valley School District Medication Administration Policy. The purpose of the policy is to support the health needs of children during school hours and to ensure the safety of all children. Key points to remember are:

- * Before any medication can be administered in school, written authorization from the child's physician and parent must be obtained **and** be on file in the school office. Separate forms are available in the main office for prescription and non-prescription medications.
- * **All medication should be brought to school by the child's parent/guardian. Students cannot bring medication to school.**
- * All medication should be in the original bottle or container. Medication not in the original bottle cannot be administered.
- * Containers should be labeled with the child's name, medication, dose, time and route.
- * Information on the use and adverse effects of any medication given in school should be provided to the school by the parent, pharmacist, or physician.
- * Parents **must** notify school personnel if their child has conditions such as allergies, diabetes, or asthma, so that proper precautions/training may be put in place.

Making sure that your children are safe and healthy is our primary concern. If you have any further questions, please feel free to contact our Health Aide at 586-723-3778.

STUDENT MESSAGES AND DELIVERIES

If your child has called home because they have forgotten their lunch money or any other item needed for the day, please bring it to the main office. Please encourage your child to leave a message as to why they are calling if you are not available to answer their call. The office staff is not always aware of why a student is calling home and we are not able to interrupt classrooms during class time. Students are aware it is their responsibility to pick up the item from the office, so please remind them to check in the office. Lunches that are not picked up in the office are put on the stage in the cafeteria to be picked up during lunch time. When a delivery is unexpected, it will be forwarded to your child at a time when it may least disrupt class time.

*****PLEASE TRY TO MAKE EVERY EFFORT TO HELP YOUR CHILD REMEMBER THEIR THINGS FOR THE SCHOOL DAY. IT IS DISRUPTIVE TO YOUR CHILD'S LEARNING DAY IF WE HAVE TO CALL THEM TO THE OFFICE TO PICK UP THINGS OR CONTACT YOU. If you must deliver lunches, notebooks, money, etc., PLEASE make sure your child's name and grade are clearly marked on the item. This helps to ensure proper delivery of items.***

TRANSPORTATION NEWS – BUS INFORMATION

Due to crowded buses, students are NOT allowed to ride a friend's bus home after school.

The Transportation Department thanks you for your help in this matter.

Also, please be reminded that ALL requests for alternate bus stops, exceptions or special arrangements must be renewed **EACH** year with the Transportation Department. Please complete and submit an Alternative Bus Stop Request Form if you require transportation to and/or from a location other than that which you would be assigned based on your home address. All requests from last year have been deleted from the database.

Transportation forms can be found at the Iroquois office or at:

ChippewaValleySchools–Departments–Transportation

Your student's bus information can be found in your Parent Portal and also through the new website Infofinder i. That link is on the Transportation website noted above.

EMERGENCY INFORMATION - Please make sure your student's Emergency Contact Information is up-to-date throughout the year with current emergency phone numbers and authorized persons for picking up your student in case of illness. If a student becomes ill during the day, we need to have a working telephone number to reach someone.

HOMEWORK - If your student is absent, please have them check Schoology for homework assignments. If your student has a question regarding an assignment when they are absent, they can contact their teacher through Schoology, e-mail or by phone. For students going on vacation, make-up work should be requested the day they return from vacation. Make-up work should be completed within the same number of school days as he/she was absent, unless special arrangements have been made with each teacher.

EARLY DISMISSAL PROCEDURE - When a student needs to leave school early, parents should come into the school to sign the student out. Students will **only** be released to persons in their emergency information with a valid picture ID. If the student returns to school, they should come into the office to sign back in and get a pass to return to class. Parents do not need to come back into the school when returning the student to school.

PARENT/TEACHER CONFERENCES

Parent/Teacher conferences will be held on October 4 from 5:30-8:00PM and October 5 from 11:30AM-2:00PM and 5:30-8:00PM. These conferences are held to help with communication between parents and teachers. Here are a few questions you may want to consider asking your child's teachers about his/her progress thus far:

- Does my child turn in homework regularly?
- Does my child work well with others in the classroom?
- Does he/she participate in class by volunteering to answer questions, share his/her work, etc.?
- Does my child take advantage of the time given to him/her in the classroom?
- Does my child have difficulty with anything in specific?

What are some things about your child that would be helpful for the teachers? Are there any concerns we should be made aware of? Communication is the key piece to the success of your child's education. Let's work together to make this a great year for your child.

Communication is the key to understanding...

Step 1: Contact the teacher

- Questions or concerns regarding instructional practices or your child's progress should first be directed to your child's teacher.
- Calling or e-mailing a teacher is the best way to contact them. Please understand that they may not be able to answer the telephone or respond to an e-mail during school hours. You may need to give them 24 hours to respond.
- Staff member e-mail addresses can be found on the school's website.
- Many misconceptions/misunderstandings can be straightened out by a simple communication to the teacher.

Step 2: Contact the counselor

- If you need more information or you still have questions/concerns then contacting your child's counselor is the next step for assistance.
 - 6th grade: Mrs. Nadia Given 586-723-3730 ngiven@cvs.k12.mi.us
 - 7th grade: Mrs. Nicole Gargalino 586-723-3740 ngargalino@cvs.k12.mi.us
 - 8th grade: Mrs. Lynn Dawson 586-723-3750 ldawson@cvs.k12.mi.us

Step 3: Contact a building administrator

- If you need more information or your concerns are not resolved after contacting the counselor, then contact the Principal or Assistant Principal.
 - Mr. Christopher Gardner – Principal
 - Mr. Scott Abraham—Assistant Principal
