

Second Grade Suggested Supply List

Here is a list of "Suggested School Supplies" for the 2022-2023 school year. On this list you will find some standard items that our students will be using in their class next year. Please keep in mind that this is just a *recommended* list for those parents who are interested in purchasing supplies over the summer in order to take advantage of back-to-school sales. We recommend that parents stick with the basics to help minimize cost.

Keep in mind that this list is only a *suggested* supply list. Individual teachers may have other recommendations in the fall.
