VISION

Our vision is to engage African American students in the learning process and to motivate them to become lifelong learners. We will do this by providing opportunities to develop their academic, physical, social and emotional growth, that will enable and prepare them to become productive, responsible citizens.

MISSION

The mission of the African American Parenting Network is to collaborate with teachers, staff, and administrators in Chippewa Valley Schools. To create a safe and inclusive learning environment where African American students are valued and respected. We will work together to address implicit bias, eliminate racial inequalities, and promote diversity in the curriculum. We will educate, energize, and empower our community to meet the needs of all CVS students.
