MEMORANDUM

F.5 Approve Second Reading to Amend Board Bylaw 0167.3, Public Participation at Board Meetings Mr. Bednard

RECOMMENDED MOTION: “That the Chippewa Valley Schools Board of Education approve the second reading to amend Board Bylaw 0167.3, Public Participation at Board Meetings, as presented, and waive the reading of the Bylaw.”

RATIONALE: Board of Education Bylaw 0167.3 has been amended to more closely align with best practices for operating an orderly and efficient meeting, while providing individuals of the public an opportunity to address the Board.

NOTE: Board of Education **By-Law 0131.1-Amendment or Suspension of Policies and By-Laws** states: *The bylaws of the Board shall be subject to amendment only upon a majority vote of all members of the Board at two (2) meetings held not less than twenty-seven (27) days apart and in the call for which the proposed amendment has been described in writing.*

**Chippewa Valley Schools
Board of Education
0167.3 Public Participation At Board Meetings**

The Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on District matters.

To permit fair and orderly public expression, the Board shall provide a period for public participation at public meetings of the Board and publish rules to govern such participation in Board meetings.

The presiding officer of each Board meeting at which public participation is permitted shall administer the rules of the Board regarding the conduct of the meeting.

The presiding officer shall be guided by the following rules:

- A. Public participation shall be permitted as indicated on the order of business for every public meeting of the Board.
- B. Individuals who wish to address the Board are required to complete a public comment request card (to be available at the Board meeting) and submit it to the Board Secretary prior to the start of the meeting. Individuals who register to provide public comment at a public Board meeting must be present during the public comment period of the Board's agenda.
- C. Each individual must be recognized by the presiding officer in accordance with Robert's Rules of Order, Newly Revised. Each speaker is to approach the microphone, identify themselves by name, address, and any group affiliation, if applicable, and direct their remarks to the presiding officer of the Board.
- D. Each statement made by a participant shall be limited to three (3) minutes duration. The public participation portion of the meeting is limited to one-half hour. However, the timeframe will be extended, if necessary, so that no one's right to address the Board is denied. The additional time for public participation may be added at the end of the meeting, at the discretion of the presiding officer, in order for the Board to complete its required business in a timely manner.
- E. Participants shall direct all comments to the presiding officer of the Board, not to individual Board members, the Superintendent, or other District employees or members of the audience.

- F. All statements shall be directed to the presiding officer; no person may address or question Board members individually.
- G. Public comments that are personally directed, abusive, obscene, irrelevant (such as commenting on matters that are beyond the scope of the Board's or District's authority), or which constitute an invasion of the privacy of a student or staff member, shall not be permitted. The presiding officer shall give notice to cease such comments.
- H. Behavior that is intemperate, abusive, defamatory, or discourteous or that otherwise interferes with the orderly conduct and timely completion of the Board meeting is prohibited.
- I. Individuals who engage in conduct that constitutes a breach of the peace may be removed from a meeting.
- J. No participant may speak more than once.
- K. In the case of multiple participants speaking on the same topic or groups of participants wishing to address the Board, the presiding officer may request, but not require, the groups to designate one (1) or more individual to speak on their behalf to avoid cumulative comments.
- L. Participants may not cede their time to others, and failure to speak will not increase the time allotted other Participants.
- M. Participants should take into account the rules of common courtesy and refrain from making personal attacks against employees, volunteers, students, parents, community members, or members of the Board. If the comments constitute a complaint against an employee or Board member related to their job duties, the presiding officer shall encourage the participant to present the complaint through proper channels established by the District before requesting Board consideration. To ensure due process and respect for individual rights, the District maintains a formal process for handling complaints against individuals. A problem involving an individual or specific incident is best handled through administrative channels. Participants may contact the Superintendent's office for further assistance with the District's complaint handling procedures.
- N. Participants must follow the rules of order and are expected to exercise common courtesy during the meeting, with due respect for the dignity and privacy of others who may be affected by public comments. Personal attacks against an employee or Board member that are totally unrelated to their job duties are prohibited. Participants should be aware that if statements violate the rights of others under the law of defamation or invasion of privacy, such comments may result in legal liability.

The presiding officer may:

- A. Prohibit public comments which are defamatory, harassing, or cause an immediate threat to public safety;
- B. Interrupt, warn, or terminate a participant's statement when the statement is too lengthy, personally directed, abusive, obscene, or irrelevant;
- C. Request any individual to leave the meeting when that person engages in disorderly conduct that hinders the Board's ability to conduct its business in the meeting;
- D. Pursuant to Board Bylaw 0165.5, call for a recess or an adjournment to another time when disorderly conduct so interferes with the Board's ability to conduct its business in the meeting;
- E. Provide notice to an individual if they have breached any of the public participation rules in this Bylaw, and after such notice, if the individual continues to violate the rule in such a manner as to be considered disorderly conduct or a breach of the peace, request the individual to leave the meeting.
- F. Request the assistance of law enforcement officers or security personnel in the removal of an individual who refuses to leave a meeting after being requested to do so and continues to engage in disorderly conduct or a breach of the peace.
- G. Request the assistance of law enforcement officers or security personnel in the removal of an individual who refuses to leave a meeting and that individual's conduct continues to interfere with the Board's ability to conduct its business at a meeting.
- H. Waive these rules with the approval of the Board when necessary for the protection of privacy or the administration of the Board's business.

Where the presiding officer's ruling is disputed, it may be overruled by a majority of those Board members present and voting in support of the motion.

For the purpose of this Bylaw, "disorderly conduct" is defined as a willful disruption of a Board meeting by rude and indecent behavior, by profane or indecent discourse, or in other ways

makes a disturbance that prevents the Board from conducting its business and prevents other members of the public from participating in Board meetings.¹

For the purpose of this Bylaw, "breach of the peace" is defined as an unreasonable disruption to the quiet, comfort, and repose of persons in the vicinity.

Tape or video recordings are permitted subject to the following conditions:

- A. No obstructions are created between the Board and the audience.
- B. No interviews are conducted in the meeting room while the Board is in session.
- C. No commentary, adjustment of equipment, or positioning of operators is made that would distract either the Board or members of the audience while the Board is in session.

The person operating the recorder will contact the Superintendent prior to the Board meeting to review possible placement of the equipment.

RATIONALE: Aggressive pricing was obtained through the public bidding process ITB 5.2223.

The proposals were reviewed and approved by the Grants, Educational Services, Special Services and Purchasing Departments. Funding will come from the General Fund for this purchase.

INTER-OFFICE MEMORANDUM**

To: Scott Sederlund Assistant Superintendent for Business and Operations

From: Laura Harrington Purchasing and Risk Management Supervisor

CC: Don Brosky Assistant Superintendent of Educational Services

Tara Koch Director of Special Services

Date: Wednesday, June 29, 2022

Re: **Recommendation for Award of Bid Package Number 5.2223
(Purchase of Textbook Materials)**

Please review this revised recommendation for award of Public Bid Package No. 5.2223. The award of this contract will provide for textbooks and associated materials needed in the Grants, Educational and Special Services Departments. Aggressive bid solicitation included direct mailing to companies and an online posting at the State of Michigan SIGMA website. Public bidding requirements were followed according to applicable State of Michigan laws and Board of Education policies.

Eight proposals were opened June 28, 2022 and were based upon bidding documents prepared by the Purchasing Department. There were no bids offered for the Bridges' Math materials, so a formal quote was later provided by the publisher, The Math Learning Center. They are considered a sole source provider for this material.

Items are being recommended for award to the apparent low-cost vendor with two exceptions. McGraw Hill is being recommended as the qualified low-cost provider for award of McGraw Hill materials due to the publisher's sole ability to provide the requested professional development services valued at \$10,500.00 in addition to free online and technology support. McGraw Hill also provided a \$4,205.76 credit contingent on an all-inclusive award to them. Follett and Textbook Warehouse, two of the three apparent low-cost vendors for the McGraw Hill materials, proposed used condition materials. The apparent three-vendor split award, including Superior Text, is a combined total cost of \$9,155.73, while the McGraw Hill comparable (not including professional development services) award is \$7,266.90.

The second exception is to award the Voyager Sopris materials to the qualified low bidder, Voyager Sopris. Follett and Textbook Warehouse submitted less expensive used condition materials, but couldn't provide all the required materials. Textbook Warehouse also provided an option for new condition books, but this pricing is higher than the publisher, Voyager Sopris. It is important that our students receive equitable new condition materials, so Voyager Sopris is being recommended for award.

The total cost of this purchase is \$379,077.68. Delivery of these materials will occur in August 2022.
