

Dear Parent/Guardian of a school-aged child:

The State of Michigan requires students to be age-appropriately vaccinated to enroll in school programs, unless a valid exemption applies. **Parents must provide the school with the below vaccinations and/or a valid exemption*.**

The following vaccinations are required for students entering KD or a young five program.

- ✓ 5 doses DTap
- ✓ 4 doses Polio
- ✓ 3 doses Hepatitis B, or laboratory evidence of immunity
- ✓ 2 doses MMR, or laboratory evidence of immunity
- ✓ 2 doses Varicella, laboratory evidence of immunity, or disease history from a parent/ physician.

In addition to the above vaccinations 7th graders are required to have the following vaccinations:

- ✓ 1 dose **ACWY** Meningococcal Conjugate at the age of 11 years old or older
- ✓ 1 dose of Tdap at the age of 11 years old or older

To obtain these vaccinations contact your physician, or the MCHD Immunization Clinic (call for hours of operation) at the following locations:

1. ***Non-medical Immunization Waiver** – The local health department must certify this type of waiver for religious or other/philosophical objection(s) to vaccine(s). **The required certification must be in person, by appointment** and available **only** at the Mount Clemens Health Center.

This type of waiver is now electronic and added to the students’ MCIR records by the issuing Local Health Department. Parents are no longer required to submit a paper copy of this type of waiver to the school.

To obtain the Nonmedical Waiver, parents/legal guardians are required to receive waiver education on the vaccines waived and must **schedule an in-person appointment** by calling **586-466-6840**.

2. ***Medical Contraindication Waiver** - This type of waiver is completed by a physician (MD or DO) stating a medical reason that prevents the student from receiving a specific immunization(s) for a specific time.

To obtain the Medical Contraindication Waiver Form, **the parent must get the form completed by the student’s doctor and submit to their school.**

This form and more information can be found in the “Parent/Guardian section on the SIP website at <https://health.macombgov.org/Health-Programs-DC-SchoolImmunization>

*Any child with a valid exemption to a particular vaccination is considered susceptible to that vaccine-preventable disease and is **subject to exclusion** from the school if an outbreak of the disease occurs.*
