May/June, 2023

www.chippewavalleychools.org/schools/middle-schools/iroquois/

Panther Parents,

Welcome to the home stretch of the 2022-2023 school year. As the warmer weather approaches, we understand our students will be focusing their thoughts on summer vacation. It is very important that students continue to focus on their schoolwork during this busy time of year. This is a great opportunity to focus your child on time management and prioritizing. Finishing the 4th quarter on a strong note will carry over to the 2023-2024 school year.

We are in the planning stages for end-of-year activities. Our teachers have planned some great activities for our students to take part in. Sixth and seventh graders will be going on a field trip to CJ Barrymore's. Eighth graders will be enjoying an end-of-year celebration with inflatables, DJ and other fun. In addition, our 8th grade end-of-year breakfast will be taking place on Wednesday, June 14th, our last day of school. This is always a fun, emotional event for our 8th grade students! This year, our 8th grade Awards Night will be held on Thursday, June 8th in our Auxiliary Gym. Students will receive an invitation to this event if they have qualified in one or more of the following: National Junior Honor Society, Science Olympiad, Student Council, High Scholastic Award and the Presidential Award. We look forward to celebrating the wonderful accomplishments of our 8th grade students.

In closing, I would like to extend my appreciation and gratitude to our parents and guardians. Your support, feedback and flexibility was greatly appreciated by all of us here at Iroquois. Thank you!! I am very humbled and blessed to be able to work with such a supportive community.

Sincerely,
Chris Gardner
Principal

Medication Administration in School

Listed below are some key points in the Chippewa Valley School District Medication Administration Policy. The purpose of the policy is to support the health needs of children during school hours and to ensure the safety of all children.

- * **Legislation on Inhalers:** Public Act 10 allows a public or non-public school student to possess and use a metered dose inhaler of a dry powder inhaler for the relief of asthma symptoms, or before exercise to prevent the onset of asthma symptoms while at school, or on school-sponsored transportation, or at any school-sponsored activity **if** there is written approval from the student's physician or other health care provider and the student's parent/guardian for the student to possess and use the inhaler; **and** the building administrator has received a copy of the written approvals from the physician and the parent/guardian.
- * Any student that requires an EpiPen, is diabetic or takes seizure medication, **MUST** have an action plan completed and on file with our Health Aide. Action Plan forms are available at the school.
- * Before any medication can be administered in school, written authorization from the child's physician and parent **must** be obtained **and** be on file in the school office. Separate forms are available in the main office and on the district's website for prescription and non-prescription medications.
- * All medication should be brought to school by the child's parent/guardian.
- * All medication should be in the original bottle or container. Medication not in the original bottle cannot be administered.
- * Containers should be labeled with the child's name, medication, dose, time and route of administration.
- * Information on the use and adverse effects of any medication given in school should be provided to the school by the parent, pharmacist, or physician.
- * Parents **must** notify school personnel if their child has conditions such as allergies, diabetes, or asthma, so that proper precautions/training may be put in place.

Making sure that your children are safe and healthy is our primary concern. If you have any further questions, please feel free to contact the office at 723-3700.

Medication Pick-Up: Any medication kept in the school office for students must be picked up at school on or before **June 21, 2023**. Medication cannot be sent home with students. If the medication is not picked up by this date, it will be properly disposed of according to district guidelines.

PAYSCHOOLS CENTRAL

All school purchases are handled through PaySchools Central. We can no longer accept cash. If you have not done so already, you can access the PaySchools Central link from the Chippewa Valley Schools website and follow the directions for setting up an account. Once your account is created, you will need to link your student (s) to your account. You will need your child's Student ID number which can be found in Parent Portal, on their Student ID card or you can call the office for assistance. Set your new account up today!

Listed below are some tips for using PaySchools Central:

1. Register for a new PaySchools Central account.
2. Use Google Chrome. PaySchools Central does not work with Internet Explorer/Edge.
3. PaySchools Central accepts Credit/Debit Cards and Checks (ACH).
4. When linking your student (s) to your account replace apostrophes with a space. Example: O'Leary will become O Leary. This works for both first and last names.
5. Assigned fees are things that your student may owe - lost library books, unreturned sports equipment, damaged school property, etc. All other fees will be "Optional".

There is a parent guide posted on the Chippewa Valley Schools website to assist you. This is a step-by-step guide will help you create an account and purchase an item. You can find this .pdf document on the Chippewa Valley Schools district website under "For Parents" tab and then PaySchools Central.

STUDENT ID CARDS

If your student loses their student ID card, a replacement card can be purchased for \$2.00. Please see Mrs. Varcak in the main office. IMPORTANT PROCEDURES

(Please Read and Save)

ABSENCE REPORTING PROCEDURE - **ALL** absences should be reported to the main office by calling the attendance line. The office will then notify the teachers. **ABSENCES** should be called in before 8:00AM to 586-723-3799. Please leave the student's name, grade level, reason for absence and length of absence on the absence line. We are required to report illnesses to the Macomb County Health Department and must be advised of any illness, especially if contagious. It is also important to call the attendance line when your child is going to be tardy. If the absence is related to Covid, please leave a message and complete the Community Covid form located on the district homepage.

EMERGENCY INFORMATION CARD - Please make sure your child's emergency information is up-to-date throughout the year with current emergency phone numbers and authorized persons for picking up your child. If a child becomes ill during the day, we expect that students will have a way to get home.

HOMEWORK REQUEST - Homework requests are prepared **beginning with the second consecutive day** your student is absent. The request should be called into the office before **9:00AM**. A message will be given to all involved teachers. Homework assignments will be sent to the office for pick up between 3:00 and 3:30PM; however, most homework assignments are posted in Schoology. For students going on vacation, make-up work should be requested the day they return. Make-up work should be completed within the same number of school days as he/she was absent, unless special arrangements have been made with each teacher.

EARLY DISMISSAL PROCEDURE - When a student needs to leave school early, please come into the office to sign the student out. Students will **only** be released to persons on their emergency card with a valid picture ID. If the student returns to school, the student needs to come into the office to sign back in and get a pass to class. Parents do not need to come back in when returning the child to school.

STUDENT MESSAGES AND DELIVERIES - If your child has called home because they have forgotten their lunch, money or any other item needed for the day, please bring it to the main office. Students are aware it is **their** responsibility to check for the item in the office. Lunches that are not picked up in the office are put on the stage in the Cafeteria to be picked up during lunch time. When a delivery is unexpected, your child will be notified at a time when it will least disrupt the class.

PLEASE TRY TO MAKE EVERY EFFORT TO HELP YOUR CHILD REMEMBER THEIR THINGS FOR THE SCHOOL DAY. IT IS DISRUPTIVE TO YOUR CHILD'S LEARNING DAY IF WE HAVE TO CALL THEM TO THE OFFICE TO PICK UP THINGS OR TO ANSWER PHONE CALLS FROM YOU. When delivering lunches, notebooks, money, etc., PLEASE make sure your child's name is clearly marked on the item.

MEDIA CENTER YEAR-END NEWS

The Media Center will close for book check-out on Friday, May 12, 2023 for the remainder of the school year.

All items need to be returned to the Media Center **no later than Thursday, May 25, 2023**. Notes will be sent home to any students who have not turned in their library books. Please, make every effort to help your student locate and return any overdue books as soon as possible. If these items cannot be located, the parents are responsible for paying the replacement cost listed on the overdue notice. If payment is required for an item, please pay that fee via PaySchools Central. All payments are due by **Friday, June 2, 2023**.

Thank you for your cooperation,
Joyce Russell, Media Clerk

IROQUOIS GIRLS' BASKETBALL UPDATE

The 7th Grade Girls' Basketball Team were a ton of fun to coach. They worked very hard throughout the season and continued to get better at dribbling, passing, shooting, defense, but above all, they were great teammates to one another. They averaged scoring 12 points per game while only giving up 18. They finished the year with a 3 and 9 record overall. Thank you for a great season girls and I can't wait to see you in action next year!! — Jeremy Thoel, Coach

The 8th grade girls' basketball team had a terrific season finishing with a record of 10-2 and winning the league championship for the first time since 2017! The team showed great poise all season winning many close games, none better than last period comeback against Seneca to force overtime and beat the Jaguars to win the league outright. Every player improved throughout the season. Their skills and confidence grew with each game and practice. It was a great improvement from their 7th grade season, which yielded a 6-5 record. I am very proud of all you accomplished and overcame this season. Remember, no matter where you go from here, you ladies **will ALWAYS be Panthers!!! NO MATTER WHAT!!!! THANK YOU FOR YOUR HELP!!!** — Jeff Vitale, Coach
