

Bus Stop & Schedule Information

Perform a Search

There are multiple ways to look up school and stop information in Infofinder *i*. You can enter a specific address to search for, pin a location, or long press on the map to search the selected location.

Type an Address

- **Number and Street:** enter the street address.
- **Zip Code:** specify the zip code to search in.
- **Grade and School Menu:** select an option from the menu to search for records servicing a specific grade or school.
 - The default selection will search **All Grades and Schools**.
- **Possible Matches:** additional addresses will appear if Infofinder *i* could not find an exact match to the address entered.

The screenshot shows a search interface with a dark header labeled 'Search'. Below the header, there are two input fields: the first contains '2139 Lynnwood' with a clear 'X' button, and the second contains '12309' with a clear 'X' button and a location pin icon to its right. Below these fields is a dropdown menu showing 'Iroquois Middle School' with a downward arrow. A teal 'Search' button is positioned below the dropdown. The results section has a light gray background and contains the text: 'Your search returned multiple matches. Please select the closest option from the list below.' Below this, it says 'Possible Matches (6)'. Two matches are visible: '2139 Lynn Plz, 12309' and '2139 Lynnwood Dr, 12309', both in teal text.

Infofinder i Search Options

Bus Stop & Schedule Information

Search results may appear in the Results panel, as well as on the map depending on the [Search Results \(Show\)](#) options set by an admin user.

- Hover over, or click on, a returned result to view it's location on the map.
- Click on a school or stop on the map to see more details about that record.

Tabs

Stops tab and Schools tab need to be enabled in [Settings](#) to see multiple tabs in search results.

- **All:** shows all returned results.
- **Stops:** shows only stop results.
- **Schools:** shows only school results.

School Boundaries

If you have transmitted Redistricting boundaries to Infofinder *i* and have the setting enabled allowing users to see those school boundaries, visitors have multiple ways to view School Boundaries on the map.
