Brief description of agenda items and discussion

1. 22 Mile and Heydenreich Traffic Concerns

Mr. Sprys presented a proposal to add a traffic signal and separate left turn lanes at the intersection of 22 Mile Road and Heydenreich. The costs would be split evenly between the Macomb County Road Commission, Macomb Township, and the District. Because of the District financial situation, the Board committee agreed to study the proposal and provide some feedback to the group in March. The District's portion of the project will be about \$123,000.

2. Transportation Policy

Administration reviewed some potential changes to the Transportation Policy (Board Policy #8600) in the event bussing service is changed in the coming year. Any potential changes will be discussed with the full board at a future date.

3. Crossing Guards

Administration discussed the funding of crossing guards within our district and in other districts.

Meeting Adjourned at **6:26 p.m.**
