**Curriculum Sub-Committee Meeting Minutes**

**July 29, 2009**

Meeting called to order at 9:05 a.m.

Present: Andy Patzert, Tammy Reynolds, Denise Aquino

Absent: None

Also Present: Sue Grenier, Ron Roberts

The following subject areas were discussed:

- **School/home communications:** different aspects regarding how elementary school staffs communicate with parents at the beginning of a school year, in respect to grade-level curricular expectations. The importance of giving parents this information in a timely manner was stressed.
- **Elementary Specials program:** discussion regarding the variety of approaches to extra-curricular events in buildings, i.e. music programs, kindergarten completion, and fifth grade completion. Continuing to stress “best practice” in these areas is desired.
- **Communications:** discussion regarding exploring alternative ways to communicate with constituencies. Our community needs to be more aware of the many excellent programs that are available in our District.

Meeting adjourned at 10:20 a.m.

Respectfully Submitted,

Ron Roberts  
Assistant Superintendent for Educational Services
