**This Bond
Proposal
Will NOT
Increase the
Tax Rate!**

Great schools for a great community!

Don't forget to Vote Feb. 23rd!

According to State law, expenditures of bond proceeds must be audited. Bond funds cannot be used for repair or maintenance costs, employee salaries or benefits, textbooks, supplies, software, or other operating expenses.

This list of bond projects is not meant to be an all inclusive list of every project planned for your school. It is designed to highlight most major projects.
