Chippewa Valley Schools

Macomb County Education Enhancement Millage

Vote Tuesday, March 10th

This proposal will generate $418 per pupil, or $6.6 million annually that will be invested directly into CVS programs and classrooms. These funds will provide us with local control and a stable source of funding to support our students and our schools.

All 15,800 CVS students will benefit from this proposal:

- Provide Career and Technical Education (CTE), vocational and skilled trades training for success in today's high demand jobs.
- Enhance and protect important extra-curricular opportunities for students like art, music, after-school activities and sports.
- Develop stronger readers through specialized academic supports, personnel, and additional programs.
- Support school safety through social-emotional learning and mental health – including counselors, social workers, and support programs.

STARVE YOUR
DISTRACTIONS.
FEED YOUR
FOCUS.

Half Day!

Tuesday, March 10th is a ½ day

***Dismissal is @ 10:00AM**

INTRAMURAL BASKETBALL LEAGUE MEETING

See Mr. Hull for Questions
& Mr. Digiorgio NGC

May your troubles be less
and your blessings be more
And nothing but happiness
come through your door

There will be SAT Prep with Khan Academy today and every Monday in March from 2:30-3:30pm in Lab 204

EVERY MONDAY in MARCH

- Any girl interested in playing softball this spring, see Mr. Fifer in room 218 ASAP

10 Reasons for All Athletes to Join the Track and Field Team

1. Track and field will help you improve the measurable that matters most—***speed***.
2. Track and field will also improve other important measurables, such as **strength**
3. Your **track coaches are the best people in the school** to help you improve the most important measurable (speed).
4. We don't just get people faster. Everything we do is tied to enhancing overall athleticism. **Higher athleticism makes you better in every other sport**.
5. In field/court sports, your teammate(s) can bail you out. This doesn't exist in track and field, and because of that, **you will become a better competitor**.
6. There is no substitute for competition, and every event of every meet you compete in, is like a game-winning drive/possession.
7. You get to **practice with freshmen through seniors**. This provides numerous opportunities to learn and lead!
8. There is something special about wearing your school's uniform. Our **boys** team is 36-6 with **6 championships** and the **girls** are 39-3 with **6 Championships** over the past 7 years.
9. You will be coached by the same coaches during the time you are on the team.
10. By participating in track, you will be coached by the **Most Lit coach in the school, Coach Wilson**. He is an excellent person to have in your corner supporting you!

Be Someone's HERO

You don't need
a cape to
be a hero.
You just need
to care.

YOU WILL NEVER WIN
IF YOU NEVER BEGIN.

Cell Phones & You

Currently our policy allows cell phones in hallways and the cafeteria, but not in bathrooms or locker rooms. In addition, they are allowed in classrooms only with teacher permission. Students may be referred to the office for violating these expectations and consequences receive consequences.

But beyond that I encourage all students to think about their cell phone use: “Have you thought about the pros and cons? How does a device work in your own life? How much time are you spending on your devices? What kind of time are you spending on them? What’s happening when you’re feeling that urge to get on it in the classroom?” Check out our website to learn more about the impact of cell phone usage.
