PARKING LOT PROCEDURES

Please read the safety guidelines for both of our parking lots.

Due to the level of safety involved when children and cars are in the same area, the following guidelines will be enforced and drivers are requested to respect and honor these guidelines.

We are fortunate to have two parking lots that allow us to ensure SAFETY.

FIRST LOT: STAFF AND BUS ONLY. HANDICAP & LATCHKEY

- o All school buses have priority.
- o Only vehicles with current staff and handicap stickers will be permitted in this lot.
- o Only vehicles for latchkey must continue around the building to the latchkey door.

STUDENTS should NOT be dropped off or picked up in this lot!

SECOND LOT: STUDENT DROP OFF/ PICK UP PARENT PARKING

- o Students are to exit the vehicle along the **sidewalk** only.
- o Drop off along the playground sidewalk or pull your vehicle up as far as possible without blocking the traffic flow. Exiting the Passenger's / sidewalk side of the car.
- o **DO NOT GET OUT OF YOUR VEHICLE** while in the line of traffic.
- o Unless directed by the guard, Please do not stop at the crosswalk, this stops the flow of traffic.

With your cooperation we can ensure the safety of our students and crossing guards.

Thank you for being
SAFE, RESPECTFUL, and RESPONSIBLE!

Mrs. Wade and Staff
