Vision Statement
The vision of the Shawnee community is that all Shawnee students will be respectful, responsible, and successful life-long learners.

Dear Shawnee Families:

Spring always promises to be an exciting and busy time here at Shawnee. There are so many wonderful activities and events taking place…you don't want to miss out!

March is Reading Month! Throughout the month, we recognize the importance of reading for academic success and celebrate and promote reading through fun events and activities. Our theme this year is "Be Your Own Story – There's Only One You!". The students will be asked to keep track of minutes and/or books read during March and can win exciting incentives each week. Be sure to check the March Reading Month calendar each day to keep you informed. Happy reading! ☺

I want to take this opportunity to remind everyone of some safety procedures and ask for your continued cooperation in helping us to maintain a safe school. In order to minimize / limit traffic flow in the building, please ensure your student has all necessary items for the day (lunch, homework, proper attire, etc.) prior to leaving home. When visiting the school, all guests must enter the main entrance doors to be buzzed in by our staff. Please be sure to face the camera, and be prepared to state your name and the purpose of your visit prior to being allowed to go to the main office. Remember to always bring your photo ID with you when visiting the school. Photo ID is required to sign students out and volunteer in the school. Please be sure to communicate this policy to any emergency contacts you may have picking up your child as well. There is more safety information in this newsletter, please be sure to review it and respect these procedures. Thank you for your assistance and support.

I would like to invite parents to attend our Spring Parent/Teacher Conferences that will be scheduled by teacher request on Wednesday, March 21st and Thursday, March 22nd. Conference information will be sent home with students Monday, March 5th. Please be sure to check your child's backpack for more details and specific information.

In an effort to improve system practices, Shawnee Elementary School is conducting a Parent Survey. We value your opinion and ask that you take the time to complete this survey. The results will be used to develop Shawnee's School Improvement Plan for next year. The deadline to complete this survey is Friday, March 23rd. In order to complete the survey, please click the following link: Shawnee Parent Survey 2018. Please be assured that your responses to this survey will be anonymous. Your honest opinion is appreciated. Thank you for your time and attention to this matter.

Kindergarten registration is now taking place for incoming 2018-2019 kindergarten students. Students should be five years old on or before September 1, 2018. You can find specific registration information in this newsletter and on our website. Please make sure that you have all the necessary documents to make the process go more smoothly. If you have neighbors without school-aged siblings, please pass along the information.

In March, we will also be cheering on our Shawnee Stars at the Chippewa Valley Schools Lego Robotics Competition and the Science Olympiad Tournament. Good luck to our teams who have been working so hard to prepare. We will let you know how they did in our next newsletter. Go Stars!

As usual, our newsletter is filled with important information and dates to keep you updated on all of the exciting events, activities and happenings here at Shawnee. You can also visit our website at http://www.chippewavalleyschools.org/schools/elementary-schools/shawnee for further news and information.

Together we will shine! ☺

Important Reminders & Information

During April and May, students in grades 3, 4, and 5 will be taking the state-required tests in Language Arts, Math, Science and Social Studies. M-STEP (Michigan Student Test of Educational Progress) is the replacement for the MEAP test. Testing will occur at different times throughout the day. Therefore, please refrain from doctor/dentist appointments or any other activities which would require your child to miss school, be late or released early on testing days. Please be sure that your child is in school on these dates.

All 3rd through 5th grade classes will be exposed to the testing tools prior to the testing window. The following is a link with directions where you can access practice test items from home. You must use Google Chrome as your web browser when accessing the site.

https://wbte.drcedirect.com/MI/portals/mi

1. Open the link in Chrome
2. Click on M-STEP Online Tools Training
3. Click on sample items set
4. Click your grade
5. Choose from available listed subject areas (ELA, Math, Science or Social Studies)
6. Type in username and password on the screen

Assessment Windows & Subjects

Below are the testing windows for each grade level. This is different than the MEAP as all students will not be testing on the same day. Your child's teacher will inform you of the specific days and times they are scheduled to test.

- 5th Grade: April 9th – May 4th (Language Arts, Math, Science and Social Studies)
- 4th Grade: April 30th – May 25th (Language Arts and Math)
- 3rd Grade: April 30th – May 25th (Language Arts and Math)

Helpful Reminders

Encourage your child to do their best!

Make sure your child gets enough sleep, and starts their day with a healthy breakfast!

KINDERGARTEN REGISTRATION

Registration for Kindergarten students entering Shawnee in the fall of 2018 is now open through March 8th by appointment only. Please go to the Shawnee website to schedule a daytime appointment to return your completed forms to the Shawnee office. We will also register students on Wednesday, March 21st and Thursday, March 22nd from 5:30 PM – 8:00 PM. Please go online to www.chippewvalleyschools.org to find the registration pack. We require all of the following documents to be brought in and complete before your child is considered registered.

1. A signed and completed Enrollment Form, found online at http://www.chippewavalleyschools.org/for-parents/kindergarten/ . Please complete all sections of the form online; print, sign and date the form.
2. An original birth certificate with a raised seal.
3. Two proofs of residency. They must have your name and address printed on it. Utility bills such as Consumer Energy, DTE, Telephone (no cell phones), as well as Comcast and Trash Removal bills are accepted.
4. Immunization records as required by the Macomb County Health Department. Your child may still require more immunizations, please provide a copy of what you have to date.
5. Proof of a completed vision and hearing test administered between 9/1/2017 to 9/1/2018.
6. The Volunteer Criminal Record Check form that is required before adults are allowed to volunteer to work in the classroom or attend field trips. A copy of your Driver's license or state photo identification is required to accompany the form.

Please share this information with any of your neighbors that may have an incoming student.
Kindergarten Kick-Off is scheduled for parents on Wednesday, May 23, 2018 at 6:15 PM.

Thank you!

DISMISSAL PROCEDURES

Special instructions for your child's dismissal should be determined before your child arrives at school in the morning. Any changes or messages to be given to a child MUST be called in to the office or childcare no later than 3:15 PM. This will allow time to deliver the message to the necessary persons. Due to an overwhelming amount of requests for dismissals at the end of the day, no early dismissals will be granted after 3:25 PM.

PARENT/TEACHER CONFERENCES

Spring Parent/Teacher Conferences will be held Wednesday, March 21st and Thursday, March 22nd from 5:30 PM – 8:00 PM. Conferences will be by teacher request. If you have questions or concerns, please contact your child's teacher. March 21st and March 22nd are full days of school. However, Friday, March 23rd is a half day of school with students dismissing at 11:59 AM.

EARLY DISMISSAL TIMES

Please note the upcoming half day/early release dismissal times.

- March 23, 2018 dismissal at **11:59 AM**
- March 29, 2018 dismissal at **11:59 AM**
- April 26, 2018 dismissal at **11:39 AM**
- May 10, 2018 dismissal at **11:39 AM**
- June 14, 2018 dismissal at **11:59 AM**
- June 15, 2018 dismissal at **12:09 PM**

ENTREPRENUER CLUB

The Shawnee Entrepreneur Club will hold their Market Day on Thursday, April 26th. Third, fourth and fifth grade students will all have an opportunity to shop at the Market. Students in the club will spend the next month preparing an advertisement board, gathering materials to make their products, and most importantly making their products to sell on Market Day. Entrepreneur Club members will be learning about economic terms throughout the process, and will get to experience how these terms impact sales and marketing. Please support the club members and allow your child to be a consumer by bringing money to shop at the Market on April 26th.

REPORT CARDS

Report cards will be sent home with your students at the end of the day on Tuesday, March 20th. Please be sure to go over the report card with your student. Positive encouragement and gentle reminders work wonders with children.

Please remove and keep your child's report card, then sign and return their envelope.

CLINIC NEWS

The Shawnee Clinic is in need of children's clothing for those times when a student may need a quick change of clothes.

- We are accepting clothing for boys and girls, sizes 4T to adult small.
- Please note, we are not able to accept underwear unless it is new and still in the original packaging.
- Donations of clothing can be dropped off in the main office.
- All donations are greatly appreciated! ☺

Thank You!

MEDICATION ADMINISTRATION IN SCHOOL

Listed below are some key points in the Chippewa Valley School District Medication Administration Policy. The purpose of the policy is to support the health needs of children during school hours and to ensure the safety of all children.

- Any student that requires an EpiPen, is diabetic, is asthmatic, or takes seizure medication, MUST have an action plan on file with our Health Aide. The action plan must be completed by the student's physician *and* parent. Action Plan forms are available at the school.
- Any student that needs to have an inhaler or EpiPen at school, MUST have written approval from the student's physician *and* the student's parent. Inhalers and EpiPens can be kept in the clinic and administered by the Health Aide, and/or a Self-possession/Self-administration form MUST be on file for the student to carry them on their person, in their backpack, etc.
- *Before* any medication can be administered in school, written authorization from the child's physician *and* parent must be obtained and on file with our Health Aide. Separate forms are available in the main office and on the district's website for prescription and non-prescription medications.
- All medications should be brought into the main office by the student's parent/guardian.
- All medications should be in the original bottle or container. Medication that is not in the original bottle cannot be administered.
- Containers should be labeled with the student's name, medication, dose, time, and route of administration.
- Information on the use and adverse effects of any medication given in school should be provided to the school by the parent, pharmacist, or physician.
- Parents must notify school personnel if their child has conditions such as allergies, diabetes, seizures, or asthma, so that proper precautions/training may be put in place.

Making sure that your children are safe and healthy is our primary concern. If you have any further questions, please feel free to contact the office at 586-723-6800.

MEDIA CENTER NEWS

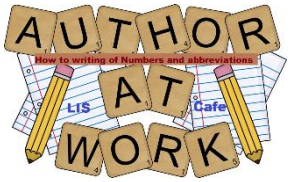
During the month of March, we will be celebrating Reading Month! This year's theme is "BE YOUR OWN STORY – THERE'S ONLY ONE YOU!" and is sure to be filled with a lot of exciting activities for our students.

During the week of March 19th, we will be holding our Spring Scholastic Book Fair in the Media Center. Students will have an opportunity to shop the book fair with their class during school. The book fair will be open for parents to shop during conferences on Wednesday and Thursday evening as well. A schedule of when your child's class will be visiting the book fair, along with other important information will be sent home.

An important parent letter, along with a Reading Month activities calendar, was sent home with students at the end of February. This calendar contains information regarding all the exciting activities planned for Reading Month.

Happy Reading!

Mrs. Riddock



COMPUTER CORRESPONDENCE

I use a website called Symbaloo to house links to websites the students use while in computer lab. Many students ask how to get to my Symbaloo from home. The following is a link that you may add to your favorites so that your child can easily access the site: https://www.symbaloo.com/home/mix/shawnee

During the 3rd trimester, fourth and fifth grade will be focused on working with Office 365 learning to work cooperatively on a project. Second and third grade will be working on PowerPoint skills. Kindergarten and first grade will be introduced to coding.

If you need to contact me, my email address is vmajewski@cvs.k12.mi.us.

Happy Spring,

Mrs. Majewski

NEWS FROM THE ART ROOM

Shawnee Showcase of the Arts

The Shawnee Showcase of the Arts will be held on Wednesday, May 30th at Shawnee Elementary from 6:30 PM until 8:00 PM.

Chippewa Valley Fine Arts Festival

The district art show will be held at the Clinton Macomb Public Library from May 1st until May 10th. Come and view art from every Chippewa Valley school in the district.

SCIENCE NEWS

We are currently working on coding in Science Enrichment. We are extremely lucky and the Chippewa Valley Educational Foundation has approved a grant for us to purchase a class set of Ozobots for Science Enrichment. Ozobots are unique little robots that give our students the opportunity to practice their coding skills in an extremely fun way! We have started exploring with them in class and the kids are having a blast! Don't be surprised if they come home talking about them. ;)

As the weather begins to warm up, we will be sticking with our end of the year flight unit tradition for the upper grades. Our 3rd grade will be assembling and flying kites at a cost of $4.00. The 5th grade will be constructing and launching rockets for a total of $8.00 each. The 4th graders will be making rockets, as well. Theirs will be made of paper and there is no charge for these.

All money will be collected using PaySchools online. Please submit your payments by Friday, March 23rd using the "PaySchools" link which can be found under "Spotlights" on the main screen of the Shawnee website at http://www.chippewavalleyschools.org/schools/elementary-schools/shawnee/. Click on "Science" and then "Add to Cart" next to the name of your child's teacher in order to proceed to the "Checkout" button.

A note will be coming home reiterating this information shortly along with a permission slip for fifth grade students to launch their rocket. Please sign and have your child return the rocket permission slip to me by Friday, March 23rd if you would like for them to participate with the rest of their class.

Thank you,

Jennifer Michell

FOOD SERVICE DEPARTMENT NEWS

Food Service would like to say thank you to all those who participated in our debit program this school year. We hope you found it an easier and quicker way for your students to purchase food.

It is our policy to 'roll' all ending balances over for the next school year. However, if your student is leaving the district you will need to request a refund. *This would particularly pertain to 12th graders who will be leaving the district upon graduation.*

Food Service will provide green "ATTENTION DEBIT USERS" forms to each school office and kitchen. These forms give specific instructions on our refund procedures. They will be available for pickup by April 30, 2018. It is your responsibility to submit this form to the Food Service Dept. before refunds are issued.

Again, thank you for your patronage and we look forward to serving you in 2018-2019.

May 4, 2018 will be the **LAST** day Food Service will accept checks to be deposited in debit accounts for all students. There will be NO EXCEPTIONS!!! We will, however, continue to accept cash deposits until the end of the school year.

A TASTE FOR EDUCATION

Chippewa Valley Educational Foundation is now accepting donations for our 8th Annual Taste for Education! Taste Fest and Auction

As we get ready to host our 8th **Annual Taste for Education! Taste Fest and Auction** we are asking business owners and friends of Chippewa Valley Schools for donations and gifts to help make the evening a success. A Taste for Education will be held on **Thursday, April 12, 2018** at Zuccaro's Banquet and Catering in Chesterfield. This popular night serves as our signature event to raise money to support projects throughout our school district like "Brainstormers" visiting our elementary schools to excite our students in the creative arts like writing and illustration during reading month, funding an innovative S.T.E.M. program at the elementary level and supporting our fine arts program so students can learn music composition and participate in performance opportunities and workshops.

As a community partner, there are several ways you can become involved in this worthwhile event. You can donate an item of value or service that can be auctioned off at the event (please include the fair market value amount along with your donation), you can purchase event tickets, or for $550 you can become an event sponsor. Event sponsors receive a reserved VIP table for ten guests along with your company name included on all event signage. All donors will receive acknowledgement in our program and on the Chippewa Valley Schools website. In addition all event sponsors will be recognized in our Vision newsletter that is mailed to over 43,000 homes and businesses.

To make a donation or to talk about sponsorship opportunities, call the Foundation Office at 586-723-2240 or send your tax-deductible gift to:

Chippewa Valley Educational Foundation

Clinton Township, MI 48038

Thank you to all those who supported our Morley Candy Fundraiser this year. Our top sellers and golden ticket winners along with Mrs. Simon and Mrs. Milo had a great time at Pump it Up, The Morley Candy Factory, Red Robin, 7-Eleven, and Dairy Queen.

At Shawnee we have a school-wide Positive Behavior Interventions and Supports (PBIS) program. PBIS is a broad range of systematic and individualized strategies for achieving important social and learning outcomes while preventing problem behavior. In other words, we recognize students' correct and positive behavior to set the standard and climate at Shawnee. We know that when good behavior and teaching come together, our star students will excel in their learning. As a staff, we have established Shawnee Stars behavior expectations for all areas of the school: classroom, cafeteria, hallways, playground, bus, and bathrooms.

Shawnee Stars – **T**ake Responsibility – **A**re Always Safe – **R**espect Others – **S**hawnee Stars

The premise of PBIS is to reward the good behaviors and work to improve the negative behaviors. The staff will work to teach, model, rehearse, reinforce, and praise students for appropriate behaviors. Be sure to visit our school website at http://www.chippewavalleyschools.org/schools/elementary-schools/shawnee for more information about our PBIS program.

PARKING LOT PROCEDURES

We would like to remind everyone just how important it is to follow the parking lot safety procedures. For the safety of your child and the entire Shawnee community, please follow the parking lot procedures outlined below.

- Use the designated drop-off lane in the front of the school. Do not drop your children off on the parking lot side of the crosswalk or park on the crosswalk.
- If you are not using the drop-off lane, you may park and walk your child across the crosswalk and into the building. Do not drop your children off and let them navigate through the parking lot alone. Likewise, children should not be leaving school alone and walking in the parking lot without an adult to try to find their ride.
- Please use the crosswalk no matter where you park or which door your child enters.
- Drive slowly and safely in the parking lot and drop-off lane. There will be people crossing at the painted crosswalk.
- Reserve the handicap parking spaces for the people that have permits. This is not a safe or legal place to make a quick pick-up / drop-off.
- Do not park or leave your car unattended in the drop-off lane.
- Follow the flow of traffic and honor the one way directions.

Please be patient with each other and always remember you are the #1 role model for your children; they learn by watching us! We want to ensure that every child makes it to and from school safely. We can only accomplish this important task with your help and support.

SECURITY PROCEDURES

The safety and well-being of our students is always our number one priority. These are the security measures we are taking, as directed by the district:

- All perimeter doors are locked, including the main entrance. All visitors to the school must use the main entrance doors. A buzzer system is installed to grant access to visitors.
- Main entrance doors will be monitored throughout the school day by staff.
- Visitors will be asked to state the purpose of their visit prior to being allowed to go to the main office where they will show a driver's license and/or photo ID, sign in and be assisted by school personnel.
- All interior classroom doors will be locked while class is in session. Only those individuals who have business in the classroom will be allowed inside.
- Staff members will remain alert and will monitor hallways, while security system cameras will provide the ability to monitor other areas of the building.

As our security initiative continues, you will be informed of any additional changes the district implements. Keeping our school safe is a collaborative effort involving our students, parents, staff and community members. Thank you for your cooperation and support.

VOLUNTEER CLEARANCE

All volunteers must have a Volunteer Criminal Record Check (CRC) on file in order to assist our students. Many of our parents have already applied to be volunteers in our school or on a field trip by submitting a permission form for a CRC. Forms are available in the school office or online. Some parents are disappointed each year when they cannot attend a field trip or volunteer in the classroom. Approval takes a couple of weeks. Please take care of this as soon as possible, if you have not already done so. Thank you for your help and cooperation.

EARLY ARRIVAL / LATE PICK-UP

Unless your child is attending Childcare or a pre-arranged activity, they should not be arriving at school before 8:50 AM. Also, dismissal is at 3:50 PM. Please be sure that you pick up your child on time or have Childcare arrangements. There is no supervision for children before and after school. Thank you for your cooperation.

DISMISSAL ARRANGEMENTS

Special instructions for your child's dismissal (bus changes, childcare, etc.) should be determined before your child arrives at school in the morning. Changes in dismissal procedures or after school supervision is to be in writing and given to your child's teacher. This ensures that information will be shared with all parties who need notification. Please call the office as soon as possible if something changes after your child is here and we will inform the necessary persons.

Any changes or messages to be given to a child MUST be called in to the office no later than 3:15 PM so we have time to deliver the messages.

No early dismissals will be granted after 3:25 PM.

SCHOOL DAY TIMES

First Bell: 8:59 AM
Full Day: 9:05 AM – 3:50 PM
SACC: 6:30 AM – 9:05 AM and 3:50 PM – 6:00 PM
Half Day: 9:05 AM – 11:59 AM
Partial Day: (varies)

- 9:05 AM – 11:44 AM
- 9:05 AM – 11:39 AM
- 9:05 AM – 12:09 AM

SCHOOL VISITORS

All visitors to the building must be buzzed in at the front door and report to the office to show ID, sign in and pick-up a Visitor Pass to be worn while in the building. These should be dated when you take a new one with each visit. When you leave, stop by the office to sign out. Even with a Visitor Pass, guests will not be permitted to the classroom without an appointment.

TARDY / LATE ARRIVAL

School begins at 9:05 AM. Our first bell rings at 8:59 AM at which time students are allowed to enter the building. If students arrive tardy/late to school after the second bell has rung at 9:05 AM, a parent needs to come into the office to sign their child in. Tardy students will receive a tardy pass. Otherwise, they may already be marked absent and not get their lunch order included with the class. Please make every effort to arrive on time to school each day.

FURRY FRIEND REMINDER

For the safety of the Shawnee community, we ask that dogs are on a short leash when on school grounds. We also ask that you keep all pets off the main sidewalk and not near the school entrances. Thank you for your understanding and cooperation as we are trying to be sensitive to some students' allergies and fears.

ABSENCES

REMINDER: Absences need to be called in to our absentee line (723-6899) whenever your student will be missing school or coming in late. While the teacher is often aware of this, if we do not get the information called in on the absentee line, the office, who is responsible for the attendance records, must call the parent/guardian to verify this information. **Students will be marked unexcused if we do not receive a call / note either on the day of the absence before school begins or prior to that day.**

It is very helpful if you send a note whenever you will be picking your child up early. This allows the teachers to have homework assignments ready. If the teacher does not know about an early dismissal, please do not expect them to stop teaching in order to put this information together. Please keep in mind that most teachers handle these requests on their prep time. Also, please note, an early dismissal is reflected on report cards as a tardy.

STUDENT ABSENCE & TARDINESS DIAL:
(586) 723-6899

ILL OR INJURED CHILDREN

When a child becomes ill or is injured during the school day, the office personnel will immediately call a parent to come and pick up the child. If a parent cannot be reached at his or her home or place of employment, the person authorized by the parent on the Student Emergency Data Verification Form will be summoned to school. In those rare cases where no responsible individuals can be reached, the school principal will use her best judgment in determining further action, which may include taking the child to the hospital if necessary. Please make sure that you update emergency contacts throughout the school year if necessary.

SCHOOL CLOSING NEWS

In the event school is closed due to inclement weather, please tune to channels 2, 4, 7 or CVC-TV. Comcast in Macomb - Channel 20, Comcast in Clinton Township - Channel 22 or WOW in Clinton Township - Channel 15. You can also get school closing information by going to our website at chippewavalleyschools.org. We also notify WWJ and WJR.

VACATION HOMEWORK POLICY

During the year, we have requests from parents who wish to take their children out of school due to vacations. We understand that it is not always feasible to schedule trips to coincide with school vacations. However, when your child is absent from school, they do miss valuable instruction that can't always be made up before or after a trip.

Please do not expect that teachers will be able to provide you with assignments to take on vacation. Work will be given to students to make up after their return to school. Generally, for every day of absence, a day is given to make up missed work. Your help in trying to schedule trips during non-school time would be appreciated and more beneficial to your children. Contact your child's teacher if you have any questions.

PRESCRIPTION MEDICATIONS

If your child needs prescription medication administered during the school day, you must first have a Prescription Medication form filled out by your physician and yourself. This regulation is district policy. If your child needs a non-prescription medication, a parent will need to fill out a form which we will keep on file in the office. These forms are available in the school office or on the district website:

http://www.chippewavalleyschools.org/for-parents/medication-forms

All medication must be in its original container. We cannot administer any medication that is in an expired package. If a certain measurement is needed, please send in the measuring spoon/cup. We are asking that students using inhalers keep one in the office clinic. If needed, it is the place that all school personnel would know where to locate it as quickly as possible.

SHAWNEE WEBSITE

We will post such items as lunch menus, calendars and school newsletters on our school website in efforts to transition to a paperless green school! Our address is: http://www.chippewavalleyschools.org/schools/elementary-schools/shawnee/. Please be sure to check our website often for important information and updates.

CHECK WRITING

Please make all checks payable to:

- **Shawnee Elementary** when paying for field trips or money collected by your child's classroom teacher.
- **Chippewa Valley Food Service** when making a payment to the lunchroom.
- **Shawnee PTO** when paying for PTO fundraisers and / or events.

If a check is returned for insufficient funds, the charge will be $20.00 per check. This does not include the fee from your bank.

SCHOOLMESSENGER

Chippewa Valley Schools is using SchoolMessenger, a leading provider of notification services for parental outreach, emergency broadcasts, student attendance alerts and other communications for education. To make sure you are signed up to receive SchoolMessenger communications, please sign in to the Parent Portal and be sure to include current phone numbers and email addresses. There you can also agree to sign up to receive text messages. For more information, please visit: http://www.chippewavalleyschools.org/for-parents/parent-portal---school-messenger-help/

LOST AND FOUND ITEMS

Stop by and take a look in the lost and found. We quickly accumulate quite a few lunch boxes and many items of clothing. When we sort through the items, if there is a name on anything, we return it to the student. So, a gentle reminder to please identify lunch boxes, coats, hats, etc.

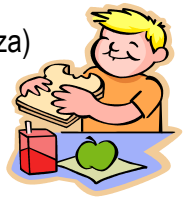
Lost and found items will be set out during conferences in the hallway. Please stop by and take a look. Any items left after conferences will be donated.

SCHOOL LUNCH INFORMATION

Remember to send your child with the correct amount of money for lunch! The office will not be able to lend money to students. A student lunch is now $2.75, lunch plus is $4.25 and milk is $0.60. Open an account for your student to make sure there isn't a time when they are unable to get a lunch. Also, please make a note that "Pizza Day" will be on Monday this year.

Please remember to order lunches a day in advance. Students that did not order lunch will need to bring one. Please allow a couple days for deposits to be posted online.

Please do not have deliveries (such as pizza) made to the school for your child's lunch. The office staff will not sign for deliveries.



FOOD SERVICE DEBIT PROGRAM

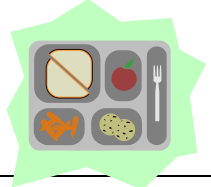
How to open an account:

- See CV website for DEBIT FORM: www.chippewavalleyschools.org
- Online debit deposit: www.sendmoneytoschool.com (need student ID number from office)
- Send check (payable to CV Food Service) or cash to school with student
- Student hands check/cash to Cashier in Cafeteria – account activated/deposit applied!

NOTE: If ID card is lost or stolen, it must be reported to cafeteria cashier immediately. Food Service is not responsible for fraudulent usages.

Yes, it's that simple! If you need further assistance, please feel free to contact the Food Service Department Hotline at 723-2294.

Go to **www.chippewavalleyschools.org** to find monthly menus and to see other available lunch choices. Free/reduced lunch forms are available online or in the office. Please contact the Food Service Department at 723-2294 with any questions.



PAPER RECYCLING

Please continue to bring in your papers, magazines, newspapers, etc. to the recycling bin located near the school service entrance. This fundraiser and green school initiative continues year round. Thank you to all of our families that have been participating.

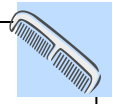
DRINK POUCH & CHIP BAG BRIGADES

We will continue to collect drink pouches and chip bags this year to help with our Michigan Green School initiatives. This recycling project is easy for everyone! All you have to do is give us your empty Capri Sun or Honest Kids drink pouches and empty Frito Lays chip bags. Whether you drink / eat them at home or send them for lunch, we will be collecting them in the cafeteria on a daily basis. Each pouch / bag earns Shawnee Elementary $0.02. Thank you for your continued support of our Green School efforts.

CELL PHONES AT SCHOOL

Cell phones are a part of our daily lives. However, district policy states that cell phones are not to be used by students during the school day. All cell phones must be turned off and left in backpacks throughout the day. Cell phones may only be used AFTER the school day has ended and students are OUTSIDE of the building. Otherwise, phones will be held in the office and returned to a parent.

DRESS AND GROOMING



Students' dress and grooming are the responsibility of the student and his/her parents. It is our desire that students come dressed in a manner that would result in an atmosphere conducive to learning. We do not wish to be stern or rigid with our dress code policy. We do, however, want our students to learn what kind of attire is acceptable and in good taste for school. If a student has selected a manner of appearance that is beyond mere freedom of expression and disrupts the educational process or presents risk to themselves or others, they may be removed from the educational setting. The following are guidelines for personal appearance:

- Clothing/grooming should be clean and in keeping with health practice.
- Shoes must be worn at all times.
- Clothing and grooming must not be hazardous to any educational activity.
- Tennis shoes are needed for gym.
- Clothing and grooming should not disrupt the educational process.
- Hats are not to be worn indoors.

Please see the Chippewa Valley Schools Elementary Student – Parent Code of Conduct for more information.

BIRTHDAY TREATS

Please keep birthday treats to a reasonable amount and size. Please do not bring in treats that need to be refrigerated or kept in a freezer. We do not have refrigerator/freezer space available. Balloons and flowers are not permitted in school as they are a distraction. Teachers should be given prior notice of birthday treat deliveries.

PERSONAL ITEMS

Students **should not** bring items such as toys, hand held games, iPods, cell phones, memorabilia, or other collectibles to school. We will not be responsible for items lost or damaged. Please put names on things such as lunch boxes and backpacks so they can be returned to their owner if misplaced.

WHEN YOUR CHILD IS SICK

(Please Note: This information is not intended as medical advice, but is merely designed to provide guidelines to be followed until your doctor can be contacted for an opinion.)

Protecting your child's health and preventing the spread of illness is of utmost importance to us. Please keep your child at home if you notice any of the following symptoms:

FEVER: A fever is a warning that all is not right with the body. The best way to check for a fever is with a thermometer, which every home should have. No child with a fever of 100 degrees or above should be sent to school. Do not allow a child to return to school until he/she has been **fever free for 24 hours without medication**. Notify your physician of significant elevations and/or persistent fevers.

RASH: A rash may be the first sign of one of the many childhood's illnesses. A rash may cover the entire body or may appear in only one area. Do not send a child with a rash to school until your doctor has said that it is safe to do so.

COLD, SORE THROAT or COUGH: The common cold presents the most frequent problems to parents. A child that just feels miserable has nasal congestion or discharge, or hacking cough belongs home in bed, even though he has no fever. If your child complains of a sore throat, has swelling, has white or yellow spots seen in the back of the throat, or has a fever present, please keep him/her home and call your doctor.

STOMACHACHE, VOMITING or DIARRHEA: Consult your doctor if your child has a stomachache which is persistent or severe enough to limit his activity. If vomiting occurs, keep your child home until he can keep his food down. A child with diarrhea should be kept at home. Call your doctor if prompt improvement does not occur.

HEADACHE: A child, whose only complaint is a headache, usually need not be kept home. Check for other symptoms accompanying your child's headache. Notify your child's doctor promptly if unexplained fever, violent vomiting, stiff neck, confusion, disorientation, or excess drowsiness accompanies a headache. It is important to note that a lot of mid-morning headaches occur as a result of inadequate breakfasts. Children of this age need breakfast in the morning.

CONTAGIOUS DISEASES: If your child has been diagnosed with a communicable illness; such as: chicken pox, mumps, impetigo, scabies, hepatitis, head lice, and ringworm; please contact the school office immediately. The county health department requires this.

PINK EYE: Do not send your child to school if you notice yellow or greenish drainage, causing crusting of the eyelids on awakening. Sometimes the white of the eye and eyelids will become swollen and red. If the diagnosis of pink eye is confirmed, your child will be required to remain at home for 24 hours after treatment has been initiated.

HEAD LICE: It is recommended that you check your child's hair periodically throughout the year for head lice. Head lice are shared easily among children of this age. The nits, (eggs of a louse), are gray or silvery in color, and unlike dandruff, they won't flake off the hair shaft. The louse is gray to brown in color and vary in size. They are mobile, but they do not fly! If you feel your child may have head lice, keep them home and have someone identify if your child has lice. If confirmed, notify the school and treat your child's head with a lice shampoo. Wash and clean all clothing and personal belongings, and check for nits in your child's hair. Your child may return to school when all lice and nits are gone.

CHICKEN POX: All children entering school should have had the vaccine or the reliable history of the disease. But if your child should get chicken pox, they need to be excluded for school at least 7 days from the onset of rash. The pocks must be dry before returning to school. Notify the school of your child's episode.

Unnecessary absences from school may have a negative effect on a student's attitude, work habits, and progress. Use your own good common sense and notify your child's physician of any concerns you might have.

Remember: For the well being and health of all our students and staff…
sick children belong at home and well children belong at school.
Thank you for your cooperation. ☺

AUTHORIZATION TO RELEASE INFORMATION

Chippewa Valley Schools - Human Resources

Volunteer Criminal Record Check

Please complete this form and return it along with a copy of your Driver's License and/or Michigan ID card in a sealed envelope to the child's school office. **All fields are required** by the Michigan State Police in order to process the record check. The Chippewa Valley Schools Human Resources office will submit this information through a secure web site operated by the Michigan State Police. You will be contacted by mail by Human Resources only if there are questions about the criminal record check. This form and the record check will be filed in a secure location in the Human Resources Department. You will need to do another form only when your child moves to another building. Your cooperation with this process is appreciated as it assists us with assuring the safety and well being of all of our students.

PLEASE NOTE:

1. **If you have been convicted of a "listed offense" as defined in section 2 of the Sex Offender Registration Act you are prohibited from volunteering at your child's school.**
2. **All other Felony and Misdemeanor offenses will be subject to a targeted screen and you may be further questioned.**
3. **If you are convicted of a crime after filling out this form please notify Shirley Allen in the Human Resources Department at 586-723-2094 or by email at sallen@cvs.k12.mi.us. Do not contact the school building.**

Thank you for your interest in serving as a volunteer with the Chippewa Valley Schools.
