LOCKER DECORATING

DOs and DON’Ts

Lockers can be decorated before school between 7:00 am and 7:45 am.

BE RESPECTFUL – No more than 3 STUDENTS can decorate a locker. All others must go to the CAFETERIA. Please use indoor voices.

PLEASE Decorate THE OUTSIDE of the locker ONLY!

Lockers must be covered with paper. Use masking tape (preferred because it is easier on the locker’s painted finish) or scotch tape only – NO DUCK TAPE.

DO NOT tape items (candy, bows, paper cut-outs, pictures) directly on bare locker.

DO NOT write on bare locker with any kind of marker including Expo White Board markers or Sharpies.

DO NOT DECORATE INSIDE OF LOCKER

NO BALLOONS of any kind

BE RESPONSIBLE – When done, please CLEAN UP anything left on the floor. Throw trash in nearest hallway or classroom wastebasket. If done before 7:45 you must GO TO THE CAFETERIA UNTIL THE BELL RINGS. Students are not to wander around the hallways before the bell rings.

Decorated lockers must be taken down 3 school days later BY THE STUDENTS WHO DECORATED IT or BY THE LOCKER’S OWNER.

You will get a reminder😊

BE SAFE -- BRING YOUR OWN SUPPLIES (tape, scissors, etc.). Keep everything out of the middle of the hallway so teachers and students have room to walk.
