The purpose of this meeting is to:
“...support the local school districts in their effort to provide Indian students the opportunity to achieve high standards and to meet the special educational needs and culturally related academic needs of American Indian and Alaska native students. “

E.D.G.A.R. 34 CFT section 9102 (a)

The Public Hearing and Parent Meeting for the Indian Education Grant was called to order at 4:10 pm on May 7, 2013 by Maria Chisholm. All in attendance were asked to sign in.

The Grant for the 2013-2014 school year has been completed and was presented. Maria reviewed the number of students certified in each district. The Indian Education staff will check the Chippewa Valley records next fall to see if any survey forms have been filed at the schools rather than with our office. Surveys are being sent to all L'Anse Creuse students for the upcoming school year.

The Grant allocation has been reduced for next year due to funding cuts from the U.S. Department of Education. Therefore, the following modifications were made for next year:

- Indian Education Specialists’ hours are reduced from 1000 to 900 for the year
- Tutoring will begin in October, 2013 after the MEAP tests are completed

The members in attendance signed their approval of the Grant.

The meeting was adjourned at 4:55 pm.
