Over 15,800 Reasons to Give!

Dear Friends of Chippewa Valley Schools,

The Chippewa Valley Educational Foundation is a non-profit, tax-exempt 501(c)3 organization whose sole purpose is to raise money to encourage new, creative programs within the Chippewa Valley School District, that otherwise would not be possible through existing school budgets.

What does the Foundation do?
The Foundation’s mission is to help achieve and maintain an extra margin of excellence by employing private resources and gifts to supplement traditional school funding. Last year our fundraising efforts provided over $26,000 in teacher mini-grants and over $21,000 in district level-wide grants. Our classroom mini-grant program funded 42 unique classroom learning experiences and 5 district level-wide grants benefiting more than 15,800 students.

In June, the Foundation awarded over $57,000 in college scholarships to Chippewa Valley and Dakota High School graduates to help ease the financial burden of college. The Foundation is honored to support these students in their future endeavors.

Help us make an immediate impact on our children and our schools!
The Chippewa Valley Educational Foundation is only able to help our students and teachers with the support of families and community members like you. Schools are being asked to do more with less and your support allows us to provide funding for supplemental projects and activities that may otherwise be unattainable. Your tax-deductible donation will help deliver creativity and innovation to our classrooms.

Make a difference in our community today
A gift of any size will make a difference and an impact in our schools. Complete and mail the form below or visit chippewavalleyschools.org, select Our District and click on the foundation link.

Thank you for your support!

Sincerely,

Christopher R. Gura, President
CVHS Alumnus, Class of 1989

Businesses and individuals that give $500 or more are recognized on our CVEF donor wall.

GIVE TODAY! Your donation will make a direct impact in a classroom!
