Dear Friends,

In this edition of the Vision Newsletter, we salute the graduating Class of 2020. Throughout the years, these students have brought us an immense sense of pride for their academic accomplishments and the humanitarian spirit they have demonstrated in making our community a better place. More recently, these students have demonstrated remarkable strength, perseverance, and resiliency during these unprecedented times.

I am proud of the depth and breadth of our course offerings and the variety of career pathways that we offer our students. For these CVS students, the journey began in our dedicated Ninth Grade Centers on the campus of each high school and culminated in our 10-12 buildings, where students have the opportunity to explore more than 240 course offerings including a variety of clubs, activities, and athletics. From our Advanced Placement courses that offer college credit, to our award-winning Career Technical Education (CTE) programs that provide students with skilled trades training, the future opportunities for our CVS graduates are limitless.

Every CVS graduate has a special talent, skill, and story to share that makes them truly unique. They are tomorrow’s leaders. They represent the future of our local community and our global world. They will leave our school district and become some of the world’s most talented nurses, doctors, electricians, engineers, builders, veterinarians, musicians, software developers, and so much more. More than 1,300 young men and women that, despite the challenges of a pandemic, continued to work hard to graduate and prepare themselves for the next phase of their journey: the journey into adulthood and making their mark on the world. We have no doubt that these extraordinary students will continue to make us proud.

The education of our children is a coordinated effort involving many people. So, my gratitude is to you, our parents, for all that you have done to provide your children with the structure and support necessary for their success. Additionally, thank you to the countless school staff that have touched our students’ lives as they have progressed through the Chippewa Valley Schools. We also want to extend our thanks to our community for your continued support of our schools. Without you none of this would be possible.

To the Class of 2020, we wish you all the best, and we look forward to everything you will accomplish in the years ahead. Go CVS!

Sincerely,

Ron Roberts,
Superintendent

CIPPEWA VALLEY SCHOOLS 2020 HIGH SCHOOL GRADUATES
CVS to Offer Secure, Paperless Online Registration for NEW Students

Chippewa Valley Schools is proud to announce a new Central Registration process for our new families. We have partnered with PowerSchool to offer one of Macomb County’s first secure, streamlined, online student registration platforms.

The new PowerSchool Enrollment Express can be found on our district and school websites at chippewavalleyschools.org. All you have to do is click on the blue Online Student Registration Badge.

For new families without internet access or access to an electronic device, we will offer enrollment kiosks in our Central Registration Office. If you need to visit a registration kiosk for enrollment, or if you have any questions, please don’t hesitate to contact us at: enrollment@cvs.k12.mi.us or (586)723-2007.

Join us for the 2020/2021 school year. Chippewa Valley Schools offers:

- Safe and secure schools.
- Healthy and safe learning environments.
- A NEW Chippewa Valley Virtual Academy (CVVA).

To learn more about our safe Return to School plan, visit our website at chippewavalleyschools.org. Thank you for choosing Chippewa Valley Schools!
