6:30pm - Regular Meeting

- CVS will no longer require face masks in our programs and work environments. The choice of whether to wear a mask will be determined by each family and individual.
- Please note that while face coverings are optional, the Macomb County Health Department (MCHD) still recommends that students and staff who are not fully vaccinated should consider wearing a face covering when indoors, especially in crowded settings.
- Although we are making this change on face coverings, we will still follow our existing mitigation strategies including cleaning and sanitation protocols, social distancing where possible, self-screening and reporting, handwashing, and the use of hand sanitizers.
- If meeting attendance exceeds capacity, there will be an overflow room with the meeting live streamed.
- Anyone wishing to address the Board of Education must attend in person and complete a Community Comments form, available at the entrance of the meeting. Community Comments will not be taken over the phone for open meetings.
- The meeting will also be live streamed. All community members are invited to view the meeting using the links below.
