November 2019

Dear Huron Families,

I am so thankful to be a part of the Huron community. Our students are amazing. Each day I am so grateful to all of the students who are here. Each student is unique in their own way and brings so much joy to the staff here.

Thank you to all of our parents for attending our parent/teacher conferences last week. We appreciate you taking the time to collaborate with your child’s teacher for the benefit of their education.

Our PTO did a tremendous job with all the events they provided to our students and families during the month of October. Book Fair, Trunk or Treat and Harvest Fest were all a huge success due to the time and effort put in to planning these events. Thank you PTO for all of your efforts.

Our Health Aide, Mrs. Estell, will be leaving us for a few months. Filling in for her is Mrs. Carla Hillock, who was previously our building paraprofessional. Carla is very knowledgeable about the health care needs here at Huron and will do a great job here. Welcome Carla!

November is jam packed with many events. Please make sure to refer to this newsletter for up to date information on the latest happenings at Huron. On behalf of the Huron staff we wish you and your families a wonderful Thanksgiving filled with many fond family memories.

Respectfully,

Kelly Shock
Principal

Happy Thanksgiving

PARKING LOT REMINDER

Please remember to proceed slowly through our parking lot. Be very mindful of students who may be crossing through the parking lot. Plan on your pickup/drop-off process taking a few minutes.
- Please do not park along the curb (bus lane) in front of the school in the area marked in yellow.
- Do not park in the curved area of the drive near the dumpsters.
- Only use the handicap spots if you have the appropriate tag to display.
- Please do not park on the grass.

Remember STUDENT SAFETY is our top priority.

ABSENTEE LINE

Please remember to use our 24-hour call-in voice mail when your son or daughter is going to be absent. The number is 723-5899. Please state your child’s name, teacher, and reason for absence. PLEASE REMEMBER TO CALL THIS NUMBER EVEN IF YOU HAVE TOLD THE TEACHER YOUR CHILD WILL BE ABSENT. This will avoid you receiving the School Messenger automated phone call regarding your child’s unexcused absence. Thank you.

LUNCH REMINDER

Please remind your child(ren) to make sure they order their hot lunch with their teacher the day before to ensure that there is enough food for all students who want hot lunch. This applies to all students, including those that are part of the free and reduced lunch program.

AFTERSCHOOL ARRANGEMENTS

Please make and adhere to after school arrangements you make with your children in the morning before they leave for school. This includes whether they are taking the bus home, going to latchkey, being picked up, etc. This will eliminate numerous interruptions to the classrooms during the day and avoid a lot of confusion at the end of the day. Requests made after 3:30 p.m. to notify students of a change in arrangements will not be honored. It is very difficult to give messages to students at that time due to students being in specials, at their safety/service squad post, or preparing to start the dismissal process.

Parents who wish to have a student released to an adult at dismissal must send a signed and dated note to the school.

KEEP YOUR INFO UPDATED

With so many messages being sent electronically now, it is very important to keep your information updated. We send numerous phone and email messages throughout the year. Please make sure your email and phone number are correct in our system. You can either let the office know or go to your Parent Portal and update it in School Messenger.
Coming to your school soon!

Huron Elementary will be hosting a P.E.N. Workshop for the families of kindergarteners, first and second graders on Thursday, November 14, 2019 from 6:00-8:00 PM.

Save the date and join us for dinner and a fun-filled, informative evening. After dinner parents will participate in a presentation. During this time, students in K-2 will be provided an activity to complete. Afterwards you and your child will together engage in hands-on activities modeled by staff members for reading, writing and math skills that you can use at home with your child.

Look for your invitation coming home soon!

PICTURE RETAKE DAY

Picture retake day has been scheduled for Thursday, November 7th from 9:30 AM - 1:30 PM. Pictures will be taken if your child was absent on picture day or if you are not satisfied with your child's fall picture.

If you want your child’s picture retaken, please send in the entire package on retake day for the photographer. Forms will be available in the school office.

FREQUENT HANDWASHING

We are in the cold and flu season. Please remind your child(ren) to wash their hands frequently to help avoid the spread of illnesses.

Also, it is district policy if your child vomits they must be vomit-free for 24 hours before they can return to school. The same goes for fevers. They must be fever-free for 24 hours before returning to school.

OUTDOOR RECESS

As the temperatures outside cool down we will continue to take the students out for recess. When temperatures start to become frigid, we will check weather.com and make the decision whether it will be indoor or outdoor recess.

Please make sure your child(ren) are dressed appropriately for the weather.

HEART SAFE SCHOOL

We are proud to say that Huron has earned the designation of a heart safe school. Thank you to our PTO for purchasing an additional AED machine for us.
STUDENT COUNCIL

Congratulations to all of the students who will be part of Huron's Student Council for the 2019-2020 school year.

BATTERY RECYCLING

We will be recycling old/used batteries at Huron. There will be a bucket in the school office for you to drop them in. Thank you to one of our former Huron parents who will be collecting them to recycle.

BE CAUTIOUS

Please drive slowly and carefully when bringing your students to school or picking them up. There are many students who walk to and from school each day. Police have told us that many people are speeding down streets around here, especially Terra Bella.

COMMUNITY REWARD PROGRAMS

Huron is partnered with a couple of stores in our community, Kroger and Target. For each dollar you spend at one of the stores, Huron will get a percentage to use for supplies and programs for our students. To sign up for these stores, please visit the websites below.

Target: www.target.com/coe
Kroger: www.krogercommunityrewards.com

We are also still collecting General Mills Box Tops. We get 10 cents for every box top. Thank you for taking the time to cut them out and send them in.

Science Specials

This month in science we did a lot of fun experiments! We explored static electricity, completed candy experiments, we began using the Engineering Design Process by building a device that would allow us to balance an apple on our heads while racing, and we finished up this week with some Halloween activities. Thank you again for the skittle donations! The students loved every second of that activity! Hope you can try it at home!
OCTOBER IN THE GYM

As we continued in October, the students are getting more comfortable performing the routines in gym. This month was focused on learning and practicing the Fitnessgram (Pacer, push-ups & curl-ups), Fabulous Fridays (Rotation Station), and invasion/team strategy activities. The students also enjoyed playing Halloween games.
