October 2019

Dear Huron Families,

Our school year is well under way. We are excited to have our students back and see all the opportunities that this school year holds. There is a lot of important information in this newsletter. Please take a few minutes to review in order to stay up to date on the happenings at Huron.

Parking Lot:

We have over 500 students who must enter and exit the school each day. You may have noticed that our parking lot is quite small. Our number one priority is to ensure that students and their families are safe as we navigate through the parking lot. I ask that you follow these guidelines while in the Huron parking lot:

* Pack your patience. If you are looking to get in and out of the lot quickly at peak times, that is not feasible. Please be patient and allow for extra time during drop off and pick up.
* Please do not be on cell phones while navigating through the parking lot.
* Students should not be dropped off in the bus lane or in the lane next to the buses. It is too dangerous to let students out at these points as they have to cross traffic to get to the sidewalks.
* Please do not park in front of any orange cones. These are in place to allow the buses to get in and out of the parking lot. If a car is parked in front of the orange cones, the buses are often not able to make the necessary turn to get in or out of the lot, which causes traffic to back up all the way down Terra Bella.
* Please park in the handicapped spaces only if you have a handicapped pass.

PTO News:

I want to thank the Huron PTO for all that they do. They have generously funded the agendas and communication folders for our students this year. Our PTO works very hard to benefit the students of Huron, and we truly appreciate all of their efforts. Also, our PTO put on our Back to School Event and Outdoor Movie Night on September 20th. The kids had tons of fun. Thank you for all of your hard work.

Parent/ Teacher Conferences:

Mark your calendars as parent/teacher conferences are quickly approaching. Conferences will be held on Wednesday, October 23rd and Thursday October 24th. Parent/teacher conferences are a wonderful opportunity to discuss your child’s educational progression. Teachers will send home notes this month to schedule this important conference time with you. Due to the conference schedule, both Thursday, October 24th and Friday, October 25th will be 11:55 am dismissals.

Respectfully,

Kelly Shock
Principal

PLEASE REMEMBER TO VOTE ON NOVEMBER 5

NO SCHOOL FOR STUDENTS

SACC INFORMATION

If your child is registered for SACC and after-school care is needed, please call, or email SACC directly instead of calling the office or the classroom.

Please note that any schedule changes need to be called/emails in by 3:00 PM the day that the schedule change is to take place.

If you choose to send a note to your child’s teacher, please follow up with a phone call to SACC.

PICTURE RETAKE DAY

Picture day was September 26th. If your child was absent on that day, he/she will have their picture taken on November 7th. If you wish to purchase a package, the order form is available for viewing on our website and is available in the school office.

Those students who already ordered a package will receive them in a few weeks. If the picture needs to be retaken for any reason, please have your child bring the whole package back to school on November 7th, and his/her picture will be retaken by Lifetouch.

Halloween Fun!

On Thursday, October 31st, we will be celebrating with our annual parade of classes and our first party of the year. The entire school will participate in an all school parade at about 10:30 a.m. Following the parade, each class will have their party. Parents are invited to view the parade on that day. Please sign in at the school office. Parents must be signed up as a volunteer with the classroom teacher to attend the class party. The parade will be held outside weather permitting. We would like to have our parking lot clear for buses by 11:40 a.m. Room parents may take their children when they leave at that time. Please sign your child out with the teacher in the classroom. Come and join the fun!

P.E.N.

Prepares-Educates-Nurtures

Coming to your school soon!

Huron Elementary will be hosting a P.E.N. Workshop for the families of kindergartners, first, and second graders on Thursday, November 14, 2019 from 6:00-8:00 p.m.

Save the date and join us for dinner and a fun-filled, informative evening. After dinner, Mrs. Shock will meet with parents to discuss the evening’s objective. During this time, students in K-2 will be provided an activity to complete. Together you and your child will engage in hands-on activities modeled by staff members for reading, writing and math skills that you can use at home with your child.

Look for your invitation coming home soon!
Halloween Costumes

It is once again the time of year when many parents and students are making decisions about a Halloween costume for Huron's party and parade.

This year we are again urging students to wear costumes based on positive role models. Book or cartoon characters, historical figures and folk heroes are suggestions for costumes.

A great deal of effort is put forth at Huron and at home to teach children to deal with problems in a non-violent way. We do not want to see the students dressed as perpetrators or victims of violence.

Costumes should still follow the code of conduct, i.e. no bare shoulders, no bare bellies, no inappropriate sayings, etc.

Please help your child plan a costume appropriate for our school parade and parties and in keeping with our theme. Thank you for your support and cooperation.

Come to School Prepared

Many parents call daily with a variety of messages for their children. The office staff is very busy. We ask that you please take care of home business at home and call the school only if you have a change of plans or an emergency.

In order to help build a sense of personal responsibility in our students, phone use for the students will be limited. Please help your student become organized by getting ready for the next school day the evening before. We discourage parents bringing forgotten items to school so that you can help your child learn to be responsible. If you must bring items to school, please write your student’s name on the item, and we will deliver it to the student.

If you need to pick up your child for an appointment, a phone call to the office is not necessary. You may write a note for your child to give the teacher so they are aware. Arrive early enough to allow plenty of time for the office to call the student down.

Visitors

All visitors must report to the office, sign in and pick up a visitor label to be worn while in the building. This is for the protection and safety of the students and staff here at Huron. No one will be allowed to make deliveries to a classroom or see a teacher without prior approval. Visitors approved for visiting one classroom are not allowed to stop by any other classroom.

Extra Clothing

If your child has clothing that he/she has outgrown, please consider donating them to Huron. We need extra clothing for those little “accidents” that may happen during the school day. We could use pants, shirts and socks. Sweatpants are great, as they easily fit many sizes.

Absence Reporting Procedure

(586) 723-5899

All absences, including hospital stays and vacations should be reported to the office either by phone or note. Informing the teacher alone is not enough as sometimes the message doesn’t get to the office to be recorded as an excused absence. If you have not called in your child’s absence, you will get an automated call. To avoid getting this call, please call the absentee line by 9:00 A.M.

When you call, please leave the students name, teacher name, reason for absence, the length of the absence and your relationship to the student.
MEDICATION DISPENSATION

Michigan has required that all school districts review their Medication Administration Policies by March 15, 2003 and Chippewa Valley Schools has done that. We have also provided training on the guidelines of the legislation to all employees who dispense medication in our schools, as dictated in the law.

We feel that this would be a good time to reinforce some of the key points in the district policy. The purpose of the policy is to support the health needs of children during school hours and to ensure the safety of all children. Key points to remember are:

- Before any prescription medication can be administered in school, written authorization from the child’s physician and parent must be obtained and be on file in the school office.
- Separate forms are available in the main office or online at www.chippewavalleyschools.org under the “For Parents” for prescription and non-prescription medications.
- All medication should be brought to school by the child’s parent/guardian. This includes cough drops.
- All medication should be in the original bottle or container. Medication not in the original bottle cannot be administered.
- Containers should be labeled with the child’s name, medication, dose, and time.
- Information on the use and adverse effects of any medication given in school should be provided to the school by the parent, pharmacist or physician.
- Parents must notify school personnel if their child has conditions such as allergies, diabetes or asthma, so that the proper precautions/training may be put in place.

MEDICATION DISPENSATION (Cont’d)

Public Act 10 allows a public or nonpublic school student to possess and use a metered dose inhaler or a dry powder inhaler for the relief of asthma symptoms, or before exercise to prevent the onset of asthma symptoms, while at school, on sponsored transportation or at any school-sponsored activity if the following conditions are met:

- There is written approval from the student’s physician or other health care provider and the student’s parent/guardian to possess and use the inhaler and
- The building administrator has received a copy of the written approvals from the physician and the parent/guardian.

Making sure that our children are safe and healthy is our primary concern. If you have any further questions, please feel free to contact to contact the office.

EpiPen MEDICATION FORM

Please note that there are now two forms that must be signed by a physician if an EpiPen is brought to school for your child.

Forms are available in the main office.

- Food Allergy Action Plan
- Request for Administration of Prescription Medication to Student

SICK POLICY

Huron policy for a student that has a FEVER is that they should be fever free for 24-hours before returning to school.

If a student VOMITS at school, the clinic will contact their parents / guardians and require that they go home for the remainder of the school day and may not return until 24 hours from the last vomit.

ILLNESS AT SCHOOL

Students who come to the office complaining of illness will be instructed to contact a parent. It is important that you keep your emergency card updated with current phone numbers. The office will call when there is an injury that requires treatment.
KINDNESS PROJECT

This school year third grade is creating Kindness Projects to help spread smiles in our beloved school. The first two projects was a kindness jar for Mrs. Shock and cards for Miss Duncan's class.

CONGRATULATIONS ADIN!

Third grader, Adin Fetibegovic, became state champion of Michigan, Illinois & Ohio in Taekwondo, earned a bronze medal in Minneapolis, a gold and bronze medal in Lynchburg, VA and received "All American Athlete" recognition on a national level.

Congratulations, Adin, on a super amazing job!

WHEELCHAIR DONATION

We would like to thank Binson's of Centerline for their generous donation of a wheelchair for our school.

MEMORIAL BENCH

We would like to thank Home Depot in Macomb Township for installing the memorial bench for former Huron teacher Henry Winokur. A dedication will be held on November 8th at 4:00 PM.
SEPTEMBER IN THE GYM

It's been a fabulous start to the new school year and it's wonderful to see all the smiling faces around Huron with excitement coming into the gym. This month was focused on learning the routines and safety in the gym, reviewing our Husky HOWLS and most important cooperative learning. The students have been challenging themselves in their exercises, working with partners and learning how to problem solve as a team during our "mission impossible" week. Soccer was our sport skill during the end of the month.
We are off to a great start in music class this year! Students are exploring the musical elements of rhythm and pitch through singing, playing instruments, listening, moving, and playing a lot of fun music games!

**Upcoming Concert Dates**

4th Grade Fall Program: Nov. 4th at 6:30 PM
5th Grade Holiday Program: Dec. 17th at 6:30 PM
Art Room Fundraiser

SQUARE 1 ART

Our annual Square 1 Art fundraiser is under way! Order forms and free stickers will be sent home in just a few short weeks! Orders will be ready in time for the holidays again this year and make EXCELLENT gifts! Every item ordered helps us buy art supplies for our favorite art projects!
Science Specials

We are off to a great start in Science Specials! We have done a lot of hands on activities already. Thanks for the skittles donations 😊. We are all set and will be using them this week! If you have not connected on Class Dojo and would like another invitation handout, please let us know. Check out some of the fun activities we have done so far!
# Elementary Thursday Pizza

**October**

Students receiving meal benefits in 18/19 that do not have an approved 2019-2020 application on file as of **October 14, 2019** will no longer receive meal benefits. The 2019-2020 application may be completed online at [www.lunchapp.com](http://www.lunchapp.com) or obtained from the school office. There will be no exception.

Looking for STEM-based activities?

Destination Imagination registration is now open. If you’d like to learn more, please attend one of our Open Houses to learn about the program. This extracurricular activity is open to all students K-12 and the challenges are based on STEAM. There are new programs available for even the busiest of busy middle and high school students.

Mohawk Elementary, 48101 Romeo Plank Rd, Macomb, MI 48044
6:30 pm to 8:00 pm
Wednesday, September 25 in the Large Instructional Room or
Tuesday, October 2 in the Cafeteria.

Grades K-2 - # 689910-01 ($125)
Grades 3-12 - # 689910-02 ($150)

www.chippewavalleydi.org     www.destinationimagination.org

Students form teams of up to seven members. Teams meet once each week to work together to develop a solution to their selected Challenge. Each team has at least one Team Manager (often a parent or teacher) who helps keep the team on track but does not assist or interfere with the team’s solution.

The DI Challenge Experience is 100% student driven. Our academic Challenges are designed to teach the creative process—a system of learning that is at the root of innovation and a child’s ability to bring an idea to life. Each season, we offer seven new and engaging Team Challenges—Technical, Scientific, Engineering, Fine Arts, Improvisational, Service Learning and Early Learning—that encourage students to explore their passions, discover their unique talents and abilities, and learn new skills. Teams also participate in Instant Challenges—quick, creative and critical thinking exercises that build teamwork and problem-solving abilities. There are many new and exciting announcements as well as hands-on activities for kids. Join us!

BE AWARE 5K
walk / run for youth suicide awareness & prevention

Saturday, October 12th, 2019

Check-In starts at 9am • Run / Walk begins promptly at 10am
$25 registration fee (includes t-shirt, timed by Hanson’s)
Dakota High School (ninth grade center) • 21055 21 Mile Road • Macomb

An event that unites the community in preventing youth suicide
and spreads the message that there is help and hope!

Suicide is currently the 2nd leading cause of death for youth ages 10 to 24. Please join us
on this 5k walk / run (or 1 mile walk) to help raise funds and awareness for youth suicide
prevention. Proceeds raised through this event support awareness and prevention programs
offered locally through KnowResolve and the Chippewa Valley Coalition for Youth and Families.

Visit www.BeAware5k.com for more info and registration

KnowResolve is a Macomb County based 501(c)(3) non-profit organization and donations are tax deductible. For more information, please visit
us at: www.KnowResolve.org. The Chippewa Valley Coalition for Youth and Families joins school and community in promoting safe, healthy,
and drug-free youth and supports families. For more information, please call 586-723-2360 or visit www.cvcorganization.org.

Dakota Basketball
In conjunction with
Pistons Academy
Present

Dakota Basketball Skills Academy

3rd grade - 8th grade (First Session is Oct 19th)

For 2 hours every weekend the Dakota basketball staff and the Dakota Basketball players will
work with young boys and girls 3rd-8th grade interested in training and developing their games.
The boys and girls will be divided up based on skill level and grade level. The first 60 minutes
will be a practice dedicated to skill training and drills essential for a youth basketball player's
development. Training sessions and basketball skill drills will be followed by 60 minutes of
games/competition and introduction/instruction of rules. Games will be coached by Dakota
Basketball staff/players/volunteer parents. All games will be refereed by MHSAA officials and
youth players will wear reversible jerseys and play with leather basketballs. All sessions will be
held at the Dakota's Main/aux gym or in the Dakota's 9th grade center gym on Saturdays.

Each participant will receive a reversible Dakota Basketball Jersey and a free ticket to 2019-20
Pistons home game (BOGO offer). Registration fee includes 8 sessions of training, developing
skills and competitive games in the Dakota H.S. gyms.

Training Dates are October 19th, October 26th, November 2nd, November 9th, November
16th, November 30th, December 7th, December 14th

Our mission is develop youth basketball players in our community and teach them the correct
way to play the game of basketball. Along the way, we also hope that the kids will have fun and
learn how to compete.

Registration: http://pistonsacademy.com/macomb-league/
