August 20, 2013

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2012-2013 educational progress for Ottawa Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment and teacher quality. If you have any questions about the AER, please contact me in the school office for assistance.

The AER is available for you to review electronically by visiting the following website http://www.chippewavalleyschools.org/schools/elementary-schools/ottawa/about-us/aer/ or you may review a copy from the office at your child's school. For 2012-2013, Ottawa Elementary made significant gains in English Language Arts, mathematics. and science.

The state has identified some schools with the status of Reward, Focus, or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

I am very proud to announce that Ottawa Elementary is a Reward school.

We are ranked number one of all of the other schools with similar demographics. This affirms all of our hard work and attempt at individualizing each student's education. We could not do this by ourselves. This was and will continue to be a team effort. By working closely with our parents and students, we were able to achieve this wonderful accomplishment. Ottawa Elementary is a Reward school.

Improvement in the levels of student performance in the areas of math, reading, writing, science, and social studies has been the focus of our school improvement plan filed for the 2013-2014 school year. Our professional development continues to focus on common curriculum maps and assessments at each grade level in these content areas. It is our goal to continue the full implementation the Common Core State Standards in reading and math, as well as the district provided curriculum for writing, science, and social studies.

NOTICE OF NONDISCRIMINATION Chippewa Valley Schools does not discriminate on the basis of race, color, religion, national origin or ancestry, gender, age, disability, height, weight or marital status in its programs, services, activities, or employment. Inquiries related to nondiscrimination policies should be directed to: Civil Rights Coordinator, Assistant Superintendent of Human Resources, Chippewa Valley Schools Administration, 19120 Cass Avenue, Clinton Township, MI 48038 Phone: 586-723-2090 / Nondiscrimination inquiries related to disability should be directed to: Section 504 Coordinator, Director of Special Services, (same address) Phone: 586-723-2180

State law requires that we also report additional information.

- Ottawa Elementary School is open to all students that reside in our attendance area, and we also accept Macomb County school of choice students on a limited availability basis as assigned to us by our district office. Currently, we have approximately 400 students enrolled in grades K-5.

- The School Improvement Plan (SIP) for Ottawa Elementary is based on the AdvancEd criteria approved by the Michigan Department of Education for school accreditation. Staff members have identified goals areas in reading, writing, math, science and social studies, and we continue to work on common strategies that will lead to increased student achievement in all areas.

- Teachers at Ottawa Elementary participate in team planning activities. In doing so, they consult the Common Core State Standards in planning how to use their resources to cover all the material that students must learn at each grade level. Students are able to receive interventions in reading and math as needed, as well as homework help after school. More information can be found on the www.michigan.gov/mde website or by contacting your child's teacher regarding the Common Core State Standards.

- End of year assessments are given to students in grades K-2 district-wide. You can view aggregate results by clicking on the following link: K-2 Assessments

- Ottawa Elementary enjoys a high level of parent participation. At our fall 2011 conferences, we had 96% of our parents attend. For the fall 2012 conferences, we had 95% of parents attend. We also have a very active and dedication Parent Teacher Organization (PTO). We continue to offer many exciting educational and family fun activities for parents, students, and staff members to get involved with the Ottawa community.

I could not be more pleased with the students, parents, and staff members of the Ottawa Elementary community. The level of professionalism, teamed with the pure excitement of teaching and learning, makes it special to be the principal at Ottawa Elementary. We, at Ottawa, look forward to another rewarding year of educating your children. I am always available for questions and concerns, so please do not hesitate to contact me.

Sincerely,

Duane Lockhart

Duane Lockhart
Ottawa Elementary, Principal
