

### **What is an Algonquin All Star?**

At Algonquin Middle School, we celebrate positive behaviors and academic excellence of students which includes Student of the Month, Effort Showcase, Honor Roll and Positive Behavior Support.

How about those students that are making an impact in our community outside of school hours? This program has been created to recognize and celebrate these students.

Do you know any student that:

1. raises money for a charity.
2. volunteers at Gleaners, a soup kitchen or other community service.
3. displayed quick thinking and/or swift action in an emergency situation.

These are just a few ideas but certainly there are more positive works that can be recognized.

If you know a student at Algonquin that should be recognized, Fill out the "Algonquin All Star" form and e-mail it to [jnelson@cvs.k12.mi.us](mailto:jnelson@cvs.k12.mi.us). When a form is turned in, administrators will review the information given. The selected students will be placed on the morning announcements and recognized on the All Star board that will displayed in school. Each student nominated will be asked if they are okay with the announcement and board recognition previous to doing it.
