

# Notice of Reconstructive Benefits Following a Mastectomy

MESSA health plans provide coverage for reconstructive procedures needed after a mastectomy. This coverage is consistent with the requirements of the Women's Health and Cancer Rights Act of 1998. Covered procedures include:

- Reconstruction of the breast on which the mastectomy was performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prosthesis and treatment of physical complications at all stages of the mastectomy, including lymphedemas.

These procedures are subject to the deductible and co-payments detailed in your specific plan. Refer to your plan coverage booklet for further details.

If you have any questions, please call the MESSA Member Service Center at 800.336.0013.
