The Student and the Student's parents were advised, in writing, of the charges against the Student, the Administration's recommendation of permanent expulsion and all other due process rights required by the law and District policy.

The Board of Education, based on evidence introduced at the hearing, concluded Student 11/10/2025-WYD01 violated Sections IV.28 of the Student Code of Conduct, entitled, "*Physically Assaulting a Staff Member/Student/Person Associated with the District,*" and a violation of MCL 380.1311a(1) and (2). The Board of Education also considered the following factors and concluded the Administration had rebutted the presumption against long-term suspension or expulsion: the Student's age; the Student's disciplinary history; whether the Student is disabled; the seriousness of the Student's misconduct; whether the Student's misconduct threatened the safety of any other student or staff member; whether restorative practices will be used to address the Student's misconduct; and, whether a lesser intervention would properly address the Student misconduct.

THEREFORE, IT IS RESOLVED: Student 11/10/2025-WYD01 is permanently expelled from the Chippewa Valley School District and is prohibited from entering any premises owned, operated or controlled by the District or attending any District-related function.

MEMORANDUM

F.2 Approve Resolution to Conditionally Opt-in to Receive Section 31aa Funds
Mr. Pearl

RECOMMENDED MOTION: “That the Chippewa Valley Schools Board of Education approve the attached Resolution to conditionally opt-in to receive Section 31aa funds and waive reading of the Resolution.”

RATIONALE: On November 12, 2025, multiple Michigan school districts, including the Macomb Intermediate School District, filed lawsuits in federal court and state court against the State of Michigan and the Michigan Department of Education. The lawsuits challenge provisions in Section 31aa of the State School Aid Act, specifically alleging that the requirement for school districts to waive any privilege, including attorney-client privilege, is unconstitutional. On November 21, 2025, the Michigan Court of Claims entered a Stipulated Order that stated school districts must opt-in by December 4, 2025, to receive Section 31aa funds. The Stipulated Order further stated that school districts may rescind its opt-in decision by December 30, 2025. The judge has indicated a decision will be rendered in the litigation on or around December 19, 2025. In order to preserve the Board’s ability to receive Section 31aa funds if the litigation is successful, the Resolution directs the Superintendent to opt-in by December 4, 2025. Moreover, to further preserve the Board’s and District employees’ legal rights, the Resolution authorizes and directs the Superintendent to rescind the opt-in by December 30, 2025, if the litigation is not successful.

- (iv) An incident that results in a sudden and timely surge of injured individuals necessitating emergency services; and

WHEREAS, an order of the Michigan Court of Claims entered on November 21, 2025, provides that if a district opts in to receive 31aa funds by 11:59 p.m. on December 4, 2025, that it may subsequently rescind that opt in decision by 11:59 p.m. on December 30, 2025; and

4. The Superintendent is hereby authorized to and directed to submit the recission form to be published on the MDE website by 11:59 p.m. on December 30, 2025, if neither the Court of Claims nor the United States District Court for the Eastern District of Michigan has ruled that the waiver requirement is unenforceable or unlawful by December 30, 2025.

F.2 Approve Resolution to Not Accept Section 31aa Funds

Mr. Pearl

RECOMMENDED MOTION: “That the Chippewa Valley Schools Board of Education approve the attached Resolution to not accept Section 31aa funds and waive reading of the Resolution.”

RATIONALE: Section 31aa of the State School Aid Act requires school districts to waive any privilege, including attorney-client privilege, as a condition of receiving Section 31aa funds. The Board has been advised of the concerns and risks associated with the waiver of such privileges, including the potential increase of personal liability for individual Board members and District staff members. The Board believes the risks associated with the waiver of privileges are substantial. Therefore, the attached Resolution states that the Board is electing not to waive its privileges and to not accept Section 31aa funds.
