Camp/Clinic/League FAQ's

How do I pay expenses for my Camp/Clinic/League?

Send original invoices or check requests to Michele Bendzinski, Adult & Community Ed. Bookkeeper, at the Administration Building. All invoices must be signed and dated to confirm receipt of items and pricing. District guidelines regarding purchasing procedures and quotes must be adhered to.

How do I get the money into my internal account?

Profits from the event will be transferred to your school's internal account only after all expenses for the Camp/Clinic/League have been paid (including pay for employees). Provide Michele Bendzinski with the internal account ASN number in which the funds should be transferred into.

Why does it take so long to get my employees paid?

Utilizing the Worker Authorization Form requires a listing of all individuals expected to work the event. This document is to be submitted 2 weeks prior to open registration, and allows HR the necessary time to confirm employee status. If the individual is not a current employee or we are in need updated information, including pertinent background checks, it will be resolved prior to working the event. This procedure will not only ensure the requirements of HR are followed, it also allows for timely payroll processing upon completion of your Camp/Clinic/League.

Why can't I just pay my Camp/Clinic/League expenses through my internal account?

It is important that all expenditures for the Camp/Clinic/League are processed through the Camp/Clinic/League ASN's in the General Fund. Expenditures for Camp/Clinic/League activities are funded via the revenue received from registration fees charged to the participants. In order to account for this properly, you must utilize your Camp/Clinic/League ASN's and have the payment processed through Michele Bendzinski in the business office.

I don't know who I will have working my Camp/Clinic/League yet. Can I submit the Worker Authorization Form later?

It is extremely important to have the individuals who you plan to work your event(s) included on the initial Worker Authorization Form which must be submitted with your packet. This

requirement is necessary in order for Human Resources to have sufficient time to process hiring paperwork and/or run the necessary background checks that protect you and the district from potential liability. Although this will require some additional pre-planning well in advance of your actual Camp/Clinic/League schedule, it ensures our students are safe and your workers can be paid in a timely manner.

I don't know how many workers I will need?

Since the Worker Authorization Form needs to be submitted with your completed packet 2 weeks prior to open registration, it would be best to plan for more workers than not enough. Feel free to list potential "alternates" on your Worker Authorization Form so Human Resources can move forward with all required paperwork and background checks. If you do not utilize that worker, you will simply communicate that information to Michele Bendzinski upon finalizing your Camp/Clinic/League and submitting timesheets for your other workers. If unsure, plan for more than you need, if you get in a pinch, you already have pre-approval from Human Resources for these "alternate" workers to fill a void in your Camp/Clinic/League.
