The Business program offers four pathways: Business Management, Accounting, Information Technology and Cybersecurity. Each is designed to enhance understanding of the transformative business environment and equip students with technical and 21st century skills needed for entry level employment and continuing education within that pathway. Students who complete a program of study in a pathway may qualify for articulated college credits and possibly earn highly valued industry certifications.
Specialist (MOS) Certifications at various levels. Students may pursue one or more of the Microsoft Office skills in Word, Excel, PowerPoint & Outlook. Students will master basic, intermediate & advanced presentation applications. With basic, beginning computer skills needed to succeed in high school, college, and the business world.

Business Management Pathway 1-hour/1-year course completes this pathway
Business Management & Technology 1A/1B
Grades 10-12  (1 hour/1 year)  1 credit
Students develop a foundation in the many activities, problems, and decisions that are intrinsic to the management of a successful business. Areas include entrepreneurship; business organization & planning; business management and leadership; project management; information technology; operations and quality management; safety; and career development.

‘Beyond Completer’ Pathway Options:
Important! Business Management & Technology 1A/1B or Accounting 1A/1B are the REQUIRED PREREQUISITE to these ‘Beyond Completer’ Pathway Options: Finance & Banking 1A BC/1B BC and Microsoft Certification BC. Please plan accordingly.

Finance and Banking 1A BC
Grades 10-12  (1 hr/1 sem)
Explores the American Banking System from the viewpoint of both the bank and the consumer. Students will learn money management strategies, checking account skills, and the fundamentals of investing and career planning. The fundamentals of Dave Ramsey’s Financial Literacy will be emphasized.

Finance and Banking 1B BC
Grades 10-12  (1 hr/1 sem)
Students explore financial management as it applies to both individuals and businesses. Topics include investing financial resources through bonds, the stock market, mutual funds, savings accounts and money markets. The virtual online Stock Market Game will provide students with the opportunity to manage a $100,000 virtual stock portfolio.

Microsoft Certification BC
Grades 10-12  (1 hr/1 sem)
This course may be taken more than once. Students will master basic, intermediate & advanced skills in Word, Excel, PowerPoint & Outlook. Students may pursue one or more of the Microsoft Office Specialist (MOS) Certifications at various levels.

Accounting & Finance Pathway
Two 1-hour/1-year courses complete this pathway

Accounting 1A/1B  Grades 10-12  (1 hr/1 year)
Students learn about accounting basics, including analyzing transactions, financial statements, payroll and more.

Accounting 2A BC/2B BC  Grades 11-12  (1 hr/1 yr)
Continuation of accounting concepts mastered in Accounting 1A/1B, topics include stocks & dividends, inventory, receivables, payables, loans and interest. Both Accounting 1A/1B and 2A/2B courses have been approved to meet the MMC senior year math-related credit requirement.

Successful completion of Accounting 1A/1B, may also be used as a REQUIRED PREREQUISITE to these ‘Beyond Completer’ Pathway Options: Finance & Banking 1A/1B and Microsoft Certification (listed under Business column)

Eligible students who complete Accounting 1A/1B and/or 2A/2B could qualify for tuition-free (articulated) college credit at Macomb CC, Henry Ford College, Washtenaw CC and Baker College.

Business Internship  Seniors only  (1 or 2 hours)
Prerequisite: 2 semesters of business courses, teacher recommendation and must be concurrently enrolled in one related business course each semester.
Internship provides the opportunity for students to gain a paid work experience in a business career field of their choice. An Individual Educational Training Plan/Training Agreement are developed for each trainee detailing his/her specific learning activities. Students are expected to work at least 200 hours per semester.

Information Technology Pathway
(Taught at CVHS)
1-hour/1-year course completes this pathway

Information Technology 1A/1B
Grades 10-12  (1 hr/1 year)
Students learn web page development including mark up language, HTML5 coding, cascading style sheets (CSS) and graphical elements; hyperlinks, picture editing, web publishing and maintenance. Students will prepare to take the CIW Site Development Associates certification exam.

Cybersecurity 1A/1B
Grades 10-12  (1 hr/1 year)
Students learn entry-level skills to protect computers, networks, programs, and data from unintended or unauthorized access, change or destruction. Students have the opportunity to earn various Cisco Networking Academy certificates of completion and TestOut certifications.

Eligible students who complete Info Tech 1A/1B and/or Cybersecurity 1A/1B could qualify for articulated credit at Oakland Community College (CC), Macomb CC or Washtenaw CC.

KeyBoarding & Business Technology
Grades 9-12  (1 hr/1sem)
Provides business oriented and college bound students with basic, beginning computer skills needed to succeed in high school, college, and the business world. Includes keyboarding, word processing, and presentation applications.
