Hello Cherokee Families

The month of May is upon us and the excitement of Spring is definitely in the air. As we move through the last months of the school year, our community of learners and leaders continue to work toward accomplishing our goals.

As part of our journey, our staff continues to learn & grow. Your input helps make our school stronger! Thank you to all those families who completed the Leader in Me survey. Your input is important to our school growing together.

Thank you to our PTO and all the families who participated this month at Pastries with Parents, Family Dining Night and our Mom/Son Event. Family Thank you also to Mr. Behnke for hosting another successful Family Fitness Night and to Mr. Sundberg and the Cherokee Green Team for a fun-filled Spirit Week! We look forward to celebrating together at our upcoming PTO Spring Fling on May 17th and Family Dining night on May 22nd.

Our students in 5th grade completed MSTEP this week, 3rd & 4th grade students begin testing this week. Information on how to support your child can be found within this month's packet. Students in K-3 will complete NWEA testing this month as well. This information helps our staff, students and families celebrate success and set goals for the future. This is also a great time to begin thinking about summer learning and more information regarding upcoming opportunities can be found in this packet and will be available in June's packet as well.

Thanks for all you do! ~ Lynn Mair ☺

Student Placement for 2019-20

- The process of creating classroom assignments is a challenging and thoughtful task. Our staff works diligently to create well-balanced classes based on multiple aspects including each child's academic and social/emotions needs as well as behavior and learning style.

- As a partner in this process, we offer you the opportunity to provide input on your child and his/her unique learning style, strengths and challenges. Student Information Forms are available in the Cherokee Office. If you would like to provide information on your child to aid in the placement process, this form must be completed and returned to Cherokee's office staff by Friday, May 24th.

- The intent of this form is to help ensure the best possible learning environment for all children. However, this is NOT an opportunity to request a specific teacher and the final decision rests with the academic team. Thank you for your cooperation, input and support!

News from the Art Room

Important dates: Festival of the Arts will be opened to all viewers starting **May 7th to the 16th.**

I hope everyone can journey to the Clinton Macomb Public Library in the beginning of May to help support Cherokee's artists and all the neighboring schools within the district. Artists' work will be selected within the next week; letters will be sent home to those students chosen for this years Festival of the Arts.

Art Club for fifth graders started up last week and will continue through the first week in June. Please continue to show a great work ethic and care for one another as we proceed to the end of the year.

Special Spot

Physical Education

Dear Cherokee Families:

I want to give one more shout out to everyone for doing such a great job with the Kid's Heart Challenge. Our top three fundraisers were Katie Vaughn ($1,200), Aydan Albright ($500), and Dean Handley ($425). By the way, that $1,200 next to Katie's name is not a typo. Katie raised $1,200 for the American Heart Association this year. She is Cherokee's top fundraiser of all time for the Jump Rope for Heart/Kid's Heart Challenge. Way to go Katie, and congrats to everyone for raising a total of $8,907.

Thanks to all the families that came out to Family Fitness Night this year. We had about 140 people total, which is a really good turn-out. Thanks again to Glenn Hayden and Cutting Edge Athletics for supplying the gymnastics equipment and thanks to Margaret "Peggy" DeMercurio at CCPlus for instructing kid's Zumba and other fitness activities.

Recently, I've been giving out fliers for our 4th and 5th grade spring running club. This club is open to any Cherokee 4th and 5th grade student. If your child is planning on joining the club, please go to the Cherokee website and apply on PaySchools or click here. Once signed-in look for the Running Club. In the spring, we train for a 5K (3.1 miles). Our 5K is scheduled to happen at Shawnee Elementary School (23 mile & Card Rd.) on June 2nd. There will be a separate fee for the 5K, which is optional of course. Although the running club itself is for 4th and 5th grade students only, the 5K will be open to the public. I hope to see you there.

Finally, our favorite event of the year…Fun Day…..is coming up on June 7th. This is Cherokee's annual field day event. The events will run from about 1:00pm to 3:00pm so if you are volunteering this year, we would like you to arrive in the gym about 12:30pm. To sign-up for Fun Day, please visit: https://tinyurl.com/PawsFunDay2019 .

I hope everyone will get outside and enjoy the warmer weather we are finally starting to get. Remember, exercise is a great family bonding event that all can partake in.

Have a wonderful spring everyone. ☺
Mr. Behnke
Cherokee P.E. Teacher

Reminders from the Transportation Department

As the weather improves and students are outside waiting for the bus, the CVS Transportation Department would like to remind you & your child of a few items as we work together to transport over 11,000 each day:

- Arrive no earlier than 5 – 10 minutes before the scheduled pick up time as to limit excess unsupervised time.
- Remain on the sidewalk/public area for your safety.
- Please leave pets at home/avoid bringing them to the bus stop since not all people are comfortable with animals.
- Take home what you bring – refrain from littering (ie bottles, cigarette butts, wrappers)
- On the Bus:
  - Stay seated
  - Use conversation voices
  - Leave electronics, such as bluetooth speakers, that may distract the driver and other riders at home

Thank you for working with us to ensure your child's safety!
