

LOCKERS

- Locker numbers and combinations for ninth grade students are printed on the students' schedules.
- If you experience trouble with your locker, please fill out a locker request form and state the problem. Forms are located in the guidance office or at the security desk in the main lobby.
- Writing on the inside of the lockers is not allowed.
- Do not use any type of adhesives inside or outside of the locker.

MEDICATION

- Students are prohibited from being in possession of or self-medicating while in school.
- For school personnel to administer medication to a student, the parent must complete a form (available in the main office and district website).
- A doctor's signature is **required** on the form for prescription medication.
- All questions should be directed to the health aide at (586) 723-3154.
