

Student Conduct – Visitors – Security

Student ID's on Campus

Students must always have their ID's on them. Students will be required to show their ID's when entering the building. Students should also take a picture of their ID's on their cell phones, in case they forget their ID's.

Cafeteria/Lunchroom Etiquette

Students are expected to behave responsibly in the cafeteria. Students will clean their eating space and pick up their trash from the floor. Any disruptive behavior will result in disciplinary action. Students **CANNOT** have fast food delivered nor can students personally bring fast food when they return from an early release. **NO** student shall be allowed to leave school premises during the lunch period. **All students are required to show their student ID's in order to purchase anything from the cafeteria.**

Hallway Conduct

Students must observe the rules of the student code of conduct while in the hallways. Inappropriate behavior such as yelling, littering, using profanity, horseplay, and any other behavior that is disruptive is prohibited. Because of crowded hallways, sitting on the floor is not permitted. *Tardy Tuesday* reports will be run weekly to address students who have been tardy four or more times to any given class. After-school detentions are assigned to each student who accrues four or more incidents of tardiness.

Security

The CVHS property is monitored by security cameras, which are fully operational, and they record continuously. The recording may be reviewed, and the information may be used in the event of an incident on CVHS property. Students and staff are encouraged to continue to practice good personal safety and report any incidents or unusual activity that they observe on CVHS property.

Visitors/Trespassing

All visitors must report to the security desk when they enter the building and show a picture ID (driver's license or state-issued ID). A visitor's pass will be issued at that time. Anyone who fails to produce identification will be considered trespassing. People who exhibit aggressive, threatening behavior may be removed from the premises. Visitors may be questioned at any time by high school personnel. Students may not bring guests to school. CVHS maintains a closed campus for the safety and security of all students and staff. Anyone who comes on campus without legitimate business may be subject to trespassing charges and will be reported to the law enforcement agencies.

No Special Deliveries

No flowers, balloons, or deliveries of any type for special occasions are allowed. Neither balloons nor flowers are permitted to be personally carried into the building by students.
