

CHIPPEWA VALLEY BRIDGE TO KINDERGARTEN PROGRAM 2021

The Chippewa Valley School District is opening enrollment in our Bridge to Kindergarten Program. Timely registration will ensure a spot for your child, as space is very limited. This program benefits children by providing a structured learning environment during the summer months. Children will be exposed to literacy and math concepts in small group settings using a variety of materials. This program is a great way to prepare your child to enter school as a new kindergartener. Should you have any questions, please do not hesitate to contact Little Turtle Preschool.

Bridge to Kindergarten ~ Tuition Only

Who: Children that are entering Kindergarten in the Fall 2021-2022 school year.
