Actually...they will be the judge, prosecutors, and bailiff. However, our group will be the jury, the witnesses, and maybe even the defendant in a hilarious judicial free-for-all! In this murder trial, to make things a little more interesting, our group can also dream up the charges just before the show begins. They will also ask for witnesses from the audience (on a volunteer basis, of course) to help point some fingers. Don't worry, it's easy, it's painless, and a whole lot of fun! We will be seated comfortably, enjoy the proceedings in Mackenzie Hall's elegant Macdonald Room with authentic furniture and decorations saved from the former district court. A delicious buffet lunch will be served prior to the trial. **Remember your proof of citizenship. INCLUDES:** Motor coach, a non-judgmental travel escort, lunch, show with audience participation, lots of laughs & fun.

HEALTHY KIDS IN THE KITCHEN

Hey kids! We can show you how fun and easy healthy cooking can be! Learn to make delicious and nutritious recipes with plenty of tasting along the way! Our program offers hands-on cooking lessons for budding young chefs. We learn more than how to follow a recipe. We utilize math, science, teamwork, creativity and more. Children will make 1 to 2 recipes each week and of course get to taste their creation at the end of each class. Recipe cards will also be written out by each child to take and make at home. This is a class for children 9 years of age and older. Halloween goodies, Fabulous Fall, and Holiday Treats are the themes for each respective class.
