"Chippewa Valley Schools...preparing students today for the challenges of tomorrow"

James Fields
Director

Dear Travelers,

I would like to take this opportunity to first thank all of you for your support as I tried to reignite the Trips & Tours for Chippewa Valley Schools. As many of you know, I wear many hats in the district, and planning the trips and tours was an addition I was excited to make. However, the arrangements made were not conducive to me continuing, and I have decided that it is in my best interest to step down from planning trips for the district.

The Tiger's trip on June 21st will be going on as planned and I am happy that this will be my final hoorah. I will still be at my desk at Little Turtle, so feel free to come by and share a smile and story anytime. 😊

Please check the website for updates on when/if new trips will be offered. I wish all of Chippewa Valley's Travelers, new and loyal, health, happiness and as always, new adventures!

Sincerely,

Claudia Schnur
