Adopt-a-Bag for Foster Children's First Nights

When these children are removed from their homes, they are given just a moment to collect whatever they need from a place they might not ever return to. To keep these children safe, you can put together a bag of necessities for them to use.

Some of the things we need in the bags are:

• Toothbrush
• Toothpaste
• Tooth floss
• Hairbrush/Comb
• Blanket
• Reusable Water Bottle
• Shampoo/Conditioner
• Soap
• Tissues
• Band-Aids

We're a group of students from Chippewa Valley Schools participating in Destination Imagination, a non-profit extracurricular activity.
