

15,000 Reasons to Give!

#GivingTuesday

Dear Friends of Chippewa Valley Schools:

Please join us in celebrating the **National Day of Giving** on November 30, 2021. This special day, also known as #GivingTuesday, is a global initiative for communities to support non-profit organizations. By donating to the Chippewa Valley Educational Foundation, you can help provide grants and scholarships for the 15,000 students that attend Chippewa Valley Schools.

What is the Chippewa Valley Educational Foundation?

The Chippewa Valley Educational Foundation is a non-profit, 501(c)(3) organization whose mission is to help achieve and maintain an extra margin of excellence by employing private resources and gifts to supplement traditional school funding.

What does the Foundation support?

Classroom and District Level-Wide Grants

Last year, the Foundation awarded over \$21,000 in grants to fund materials for Math, ELA, Science, History and more. Flexible seating, standing desks and throwable microphones were provided to make classrooms more engaging.

Scholarships

In 2021 alone, over \$66,000 in scholarships were awarded to 84 deserving high school graduates, such as:

- Brooke Palmer, who is interested in the medical field at Michigan State University (Chippewa Valley High School Graduate)
- Nate Lyons, who is interested in computer science at Michigan Technological University (Dakota High School Graduate)

We need your help more than ever!

Due to the pandemic, our fundraising efforts have been limited. We have not been able to host our largest event of the year, *A Taste for Education*. In this unprecedented environment, it is still our goal to provide all students with outstanding educational opportunities.

Make a difference in our community today.

We appreciate the generous support of our donors. A gift of any size will make a difference and an impact in our schools. We are only able to help our students and teachers with the support of families and community members like you. Gifts to the Chippewa Valley Educational Foundation, a 501(c)(3) non-profit organization, are tax deductible.*
