

2021 Dual Enrollment Presentation

Benefits of Dual Enrollment

This opportunity is for students that have demonstrated a strong academic performance in high school and are prepared to do college work. Other benefits include:

- Students have access to courses not currently offered by the high school
- Dual enrollment students may count their earned college credits both toward high school graduation and college requirements
- A head start on a college career by taking classes before students graduate from high school
- Financial savings. The tuition at Macomb Community College (MCC) is substantially less than the cost of most state universities.

Things to Consider When Deciding on Dual Enrollment

- Students should have a history of academic success and their measurable skills should be appropriate for college level rigor and expectations.
- Student should be emotionally mature; they are attending classes with students over the age of 18.
- Consider the rigor of the student's high school classes (AP and/or Honors) taken at the same time as college class, as we don't want students to feel overwhelmed with their course load.
- If a student does not successfully pass the dual enrollment course, the student will be charged for all fees and costs that the district incurred for the course. This includes courses that are dropped after the appropriate time limits set by the college for full tuition reimbursement.

More Things to Consider When Deciding on Dual Enrollment

- If a student drops a course, they will immediately inform their high school counselor and enroll in additional high school classes. Not doing so could have an impact on graduation.
- Credit for courses cannot be changed after class has started. Choices are: College only, High School only or College & High School credit. Credit goes on your permanent school records. A counselor can answer any question about this if you are unsure.
- Transportation is the responsibility of the parent/guardian and student. For safety and supervision reasons, students must leave the building after their scheduled Dakota classes.
- Athletics, Band and Choir require after school and evening participation which may conflict with the student's MCC class schedule.
- College courses chosen must begin AFTER the student's high school schedule ends (travel time must also be accounted for).

Books and Transportation

- The approximate cost for books is \$40.00 - \$150.00 per class. After you have enrolled in class, check with the instructor/institution before purchasing books. If money remains after these fees, the district will apply it to the cost of required textbooks only. Students will be responsible for paying part or all their textbook costs once the full foundation allowance has been applied. The school will charge this difference to the DHS student account, which can be reviewed on Pay Schools Central. You can access Pay Schools Central through the Dakota High School website.
- **Be aware that transportation will be the responsibility of the student/family to their Macomb Community College (MCC) classes.** Dakota High School will not approve dual enrollment if a student cannot provide proper transportation to and from Macomb classes. Students must leave the building at the end of their scheduled Dakota classes.

Total number of eligible courses allowed per year by grade at the time of the first dual enrollment. [MCL 388.513(1)(d)]

Year at postsecondary	Begins taking courses in grade 9.	Begins taking courses in grade 10.	Begins taking courses in grade 11.	Begins taking courses in grade 12.
1st Year	2	2	4*	6
2nd Year	2	4	6*	-
3rd Year	2	4	-	-
4th Year	4	-	-	-
	10	10	10	6

Possible Sequence for Dual Enrollment

Preparing to Dual Enroll

- Normally, students will need to make sure that they have qualifying test scores. Since testing has been limited, this requirement is waived for the 2021-2022 school year.

Assessment	Test Section	Content Area	Minimum Qualifying Score
ACT	Mathematics	Mathematics	22
ACT	Reading	Reading	22
ACT	Science	Science	23
ACT	English	English	18
MME*	ELA	ELA	2100
MME*	Mathematics	Mathematics	2100
MME*	Science	Science	2100
MME*	Social Studies	Social Studies	2100
PSAT 8/9	Critical Reading	Evidence-Based Reading and Writing	460
PSAT 8/9	Mathematics	Mathematics	510
PSAT 10	Critical Reading	Evidence-Based Reading and Writing	460
PSAT 10	Mathematics	Mathematics	510
PSAT/NMSQT 11	Critical Reading	Evidence-Based Reading and Writing	460
PSAT/NMSQT 11	Mathematics	Mathematics	510
SAT	Critical Reading	Evidence-Based Reading and Writing	480
SAT	Mathematics	Mathematics	530
AP**	Various subject areas	May qualify for credit and allow for higher level classes	Check with IHE
CLEP**	Various subject areas	May qualify for credit and allow for higher level classes	Check with IHE
IB**	Various subject areas	May qualify for credit and allow for higher level classes	Check with IHE
ACCUPLACER**	Various subject areas	May qualify for credit and allow for higher level classes	Check with IHE

Dual Enrollment Preparation cont.

- Update your Xello student account. If you are enrolling in a course that is part of a sequence of courses that we offer (ie. Foreign Language, etc.), you must have maxed out of the highest level at Dakota to enroll in the class. The class you are interested in cannot be offered in the CVS Course Catalog.
- Schedule an appointment to meet with your counselor. Discuss course options that are right for you and fit your school schedule and other commitments. IE: athletics, band, choir commitments. Macomb class requirements will take precedence over after school activities, so consider carefully.
- Ensure your course of interest does not have prerequisite requirements and is a full semester 3 or 4 credit course (this info is available through course options and prerequisite course information at the MCC website).
- Return completed Dual Enrollment Request Form to your counselor by the specified deadlines. Deadlines are set to ensure the Counseling office has the time necessary to ensure all your registration materials are transferred to MCC by their deadline.
- Dual Enrollment Request Forms are due by April 1st each school year (you will have until April 16, 2021 this year).
- Complete Macomb Community College enrollment steps.

Items with a **red asterisk (*)** are required. As you complete required items, the Submission Status will update to "Received." Note that the Submission Status of items that are not required may stay as "Not Received" even if you complete them. **Admission steps below must be completed in the order listed.**

Item	Description	Submission Status	Attachment
SAT/ACT Scores - Official	SAT/ACT scores are not required. If, however, you have an ACT math score of 24 or higher, you can waive the math placement requirement by having your official ACT scores sent to Macomb. Visit the ACT Sending Your Scores page to learn more.	Not Received	
FAFSA	If you plan to apply for financial aid but have not already done so, please complete your Free Application for Federal Student Aid (FAFSA) today.	Not Received	
Emergency Message Alerts	Sign up for Emergency Message Alerts to receive notification of campus emergencies or campus closures via SMS text message, email, voice message or any combination of the three. Go to the Emergency Message Alerts page to sign up now.	Not Received	
New Student Orientation *	New Student Orientation is required. Visit the log in page to complete orientation. You need your User ID to log in. Select the New Student Path. Your User ID is: 1233382	Not Received	
MacombOne Card	Go to the Macomb OneCard Office to take your student ID picture for your Macomb OneCard. Call 586.416.5215 or email MacombOneCard@macomb.edu for current office hours.	Not Received	
Starting at Macomb *	You don't need an appointment to complete your starting at Macomb session. Visit the Counseling & Academic Advising Services Contact Us page for office hours and locations.	Not Received	
Placement Testing *	You don't need an appointment to complete your placement test! Visit the Placement Testing page for office hours and link to practice materials .	Not Received	
Course Planning Session *	You don't need an appointment to complete your course planning session. Visit the Counseling & Academic Advising Services Contact Us page for office hours and locations.	Not Received	

Required Admission Steps

- New Student Orientation
 - online
- Starting at Macomb
 - Academic Advisor
- Placement Test
 - Average 2 hours
- Bring a Photo ID on Campus
- No Appointment Required

Free Resources

- Academic Assistance/Learning Center
 - Tutoring
 - Student Success Seminars
 - Reading & Writing Studio
 - Career Services

Macomb Admissions Steps

- **New Student Orientation**
- New Student Orientation is required. Visit the [log in page](#) to complete orientation. You need your User ID to log in. Select the (New Student/Transfer/Guest/Starting College While in High School) Path.
- **Starting at Macomb (SAM) Session**
- During Starting at Macomb (SAM), you will discuss Placement Testing and Course Planning.
 - If Placement Testing is not required, we will mark it as received. At that time we will also complete your Course Planning step.
 - If testing is required, you'll receive information on how to complete testing.
- To complete your SAM session, call 586.445.7999, option 2. Calls are answered Mon & Tues from 8am-5:30pm and Wed through Fri from 8am-4pm. Can't call? Email: askanadvisor@macomb.edu

- **Placement Testing**
- A member of our Counseling & Academic Advising staff will work with you to determine whether placement testing will be required. We may review your self-reported high school GPA and/or self-reported SAT/ACT scores to make this decision. If testing is required, you can prepare for the placement test by using these [practice materials](#). You will be notified of your Placement Testing status during your Starting at Macomb step.
- **OTHER UPDATED STEP**
- **Macomb OneCard**
- Although Macomb Community College campuses are closed to the public, submit your photo today for your MacombOne card by following the [Photo Submission Instructions](#). You'll receive your MacombOne Student ID Card and a Refund Selection Kit **about two weeks after you register for classes**. Avoid refund delays by following the directions in the mailing and setting up your refund preference as soon as possible.

Macomb Contacts

Admission questions:

Student Technical Support: 586.445.7999 ext. 8 then 1

Macomb Online Support: 586.445.7999 ext. 8 then 2

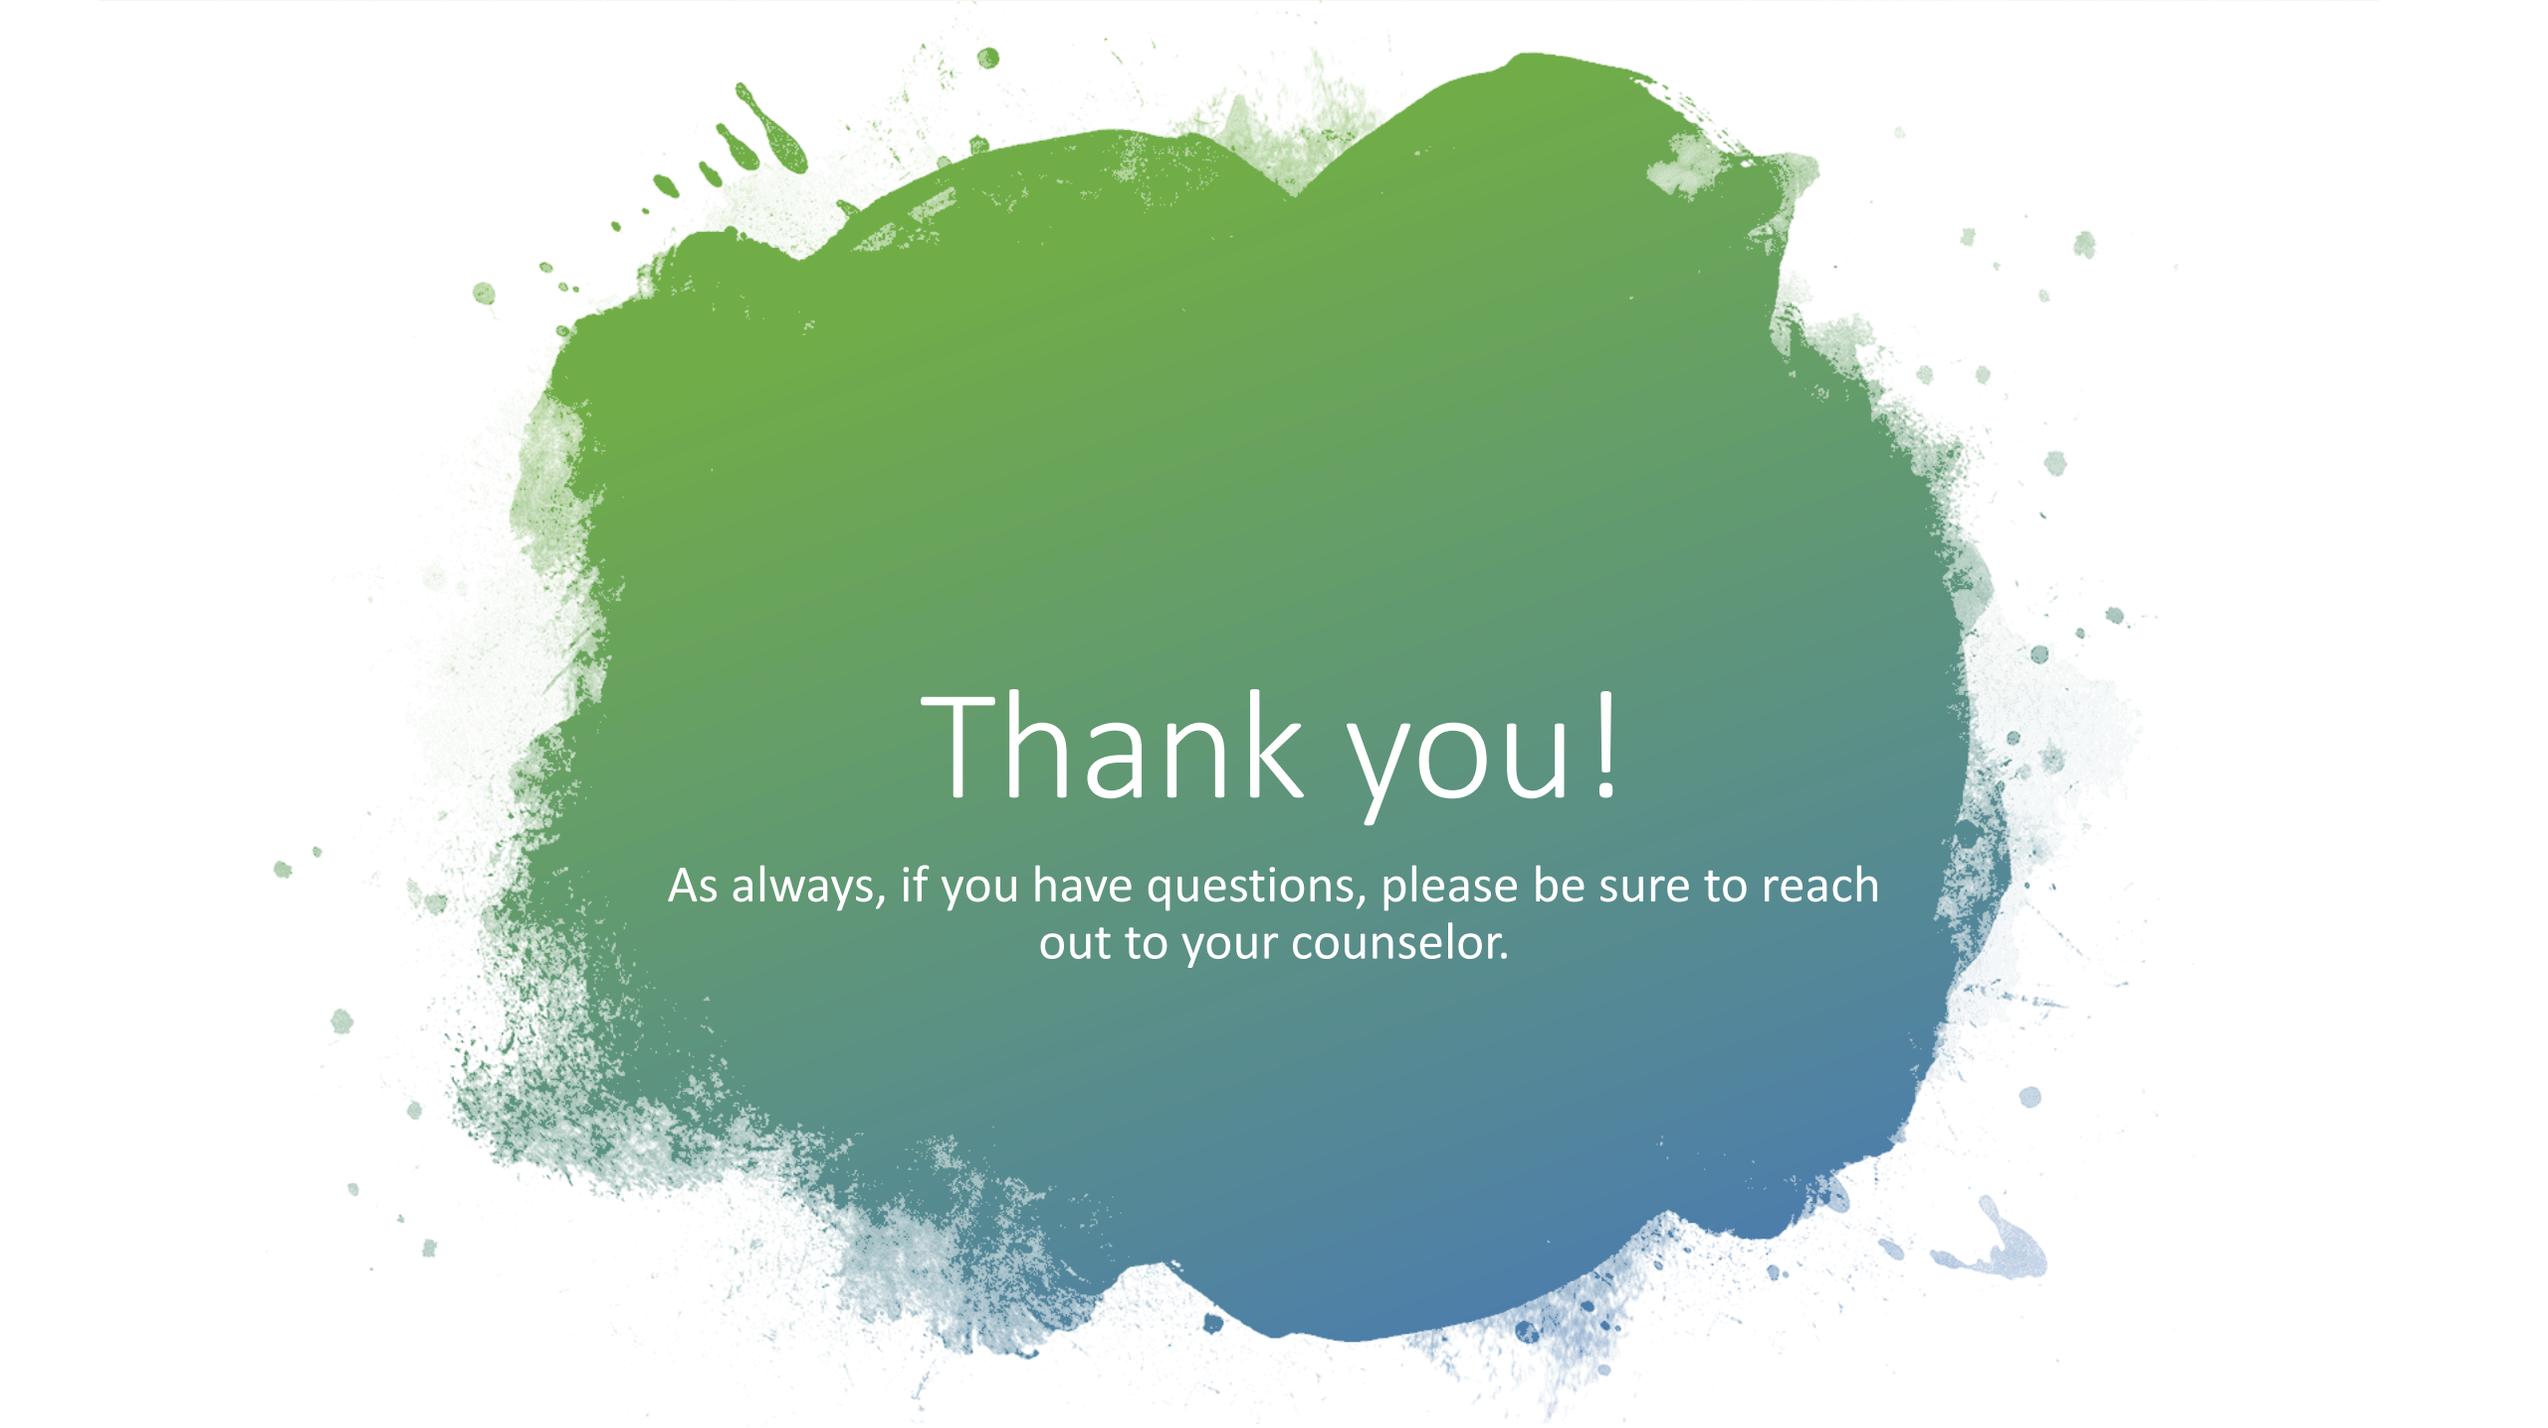

Next Steps for Dakota

1. Once you have completed the Macomb Admissions steps, go to Dakota's website and read through the dual enrollment documents under the counseling tab → graduation requirements/course scheduling → dual enrollment.
2. Go to Macomb's website (Macomb.edu) and select "Future Students" → then List of Programs.
3. Select your subject of interest and scroll down to choose from the classes listed.
4. Write down the names of courses that interest you on a sheet of paper.
5. Select the link "Class Offerings & Catalogs" link to your left.
6. Select "Search for Sections Now"

Next Steps for Dakota cont.

7. Click in the “Search for courses” box at the top right of the page. Type in the name of the course you want.
8. Select “View Available Sections” to see the dates and times that each course is offered. Write down the course numbers of the classes you selected.
9. Once you have identified 2-4 classes (this includes your alternates) you would like to take, go back to the dual enrollment page on Dakota’s website and select the fillable “Dual Enrollment Request Form” to enter your classes.
10. Complete the entire form before printing. Request a meeting with your counselor to go over your selected classes and to turn in your Dual Enrollment Request Form.

Thank you!

As always, if you have questions, please be sure to reach out to your counselor.
