According to Michigan Law (MCL 380.1147), if a child residing in Chippewa Valley Schools is not five years of age on September 1, 2021, but will be five years of age not later than December 1, 2021, the parent or legal guardian of that child may enroll the child in kindergarten for the 2021-2022 school year if the parent or legal guardian notifies the school district in writing that he or she intends to enroll the child in kindergarten.

A school district that receives this written notification may make a recommendation to the parent or legal guardian as to whether the child is not ready to enroll in kindergarten due to the child's age or other factors. Regardless of the district recommendation, the parent or legal guardian retains the sole discretion to determine whether or not to enroll the child in kindergarten if the student is five years of age not later than December 1, 2021.
