At Home:
If you need help obtaining supplies please send a message to me via Remind 101

*Due to remote learning, lessons will be created that allow students to choose a variety of materials. This is a list of basic supplies students need. You do not need these supplies until the 10 week period your child is scheduled for art class – They are however much cheaper to purchase in August / September.

*Sketchbook: (we will use this often nearly everyday – it will also be a great keepsake for you) 8x11 or larger: Walmart is the cheapest – they have a white/ green soft cover or a hard black cover and are around $5.00 – they are located in the back of store in the craft section- you can also buy online/ Target/ Craft Store

-Pencils – Pencils Made in America are best – Ticonderoga Brand is one type
- Pencil Sharpener – HAND HELD!- Prisma Color has the best! It doesn’t spill and sharpens well! Walmart – Target – online – craft stores)

-Pens (optional) – Ballpoint type- if students would like – variety of colors – will be used for writing

-White Paper (unlined)

-Spiral Notebook – 70 pages (age appropriate lines– we will incorporate writing activities)

-Pack of construction paper

-Scissors – age appropriate

-Glue Sticks

-1 Black Sharpie

-Colored Pencils (grades 3-5)- 24 or more if possible – Crayola and Prisma Color are best)

- White Vinyl/Plastic Eraser (Dollar Store/ Target / WalMart)

-Crayons (preferably Crayola – 48 -64+ count best)

-Markers – 2 packs of different colors (such as 10 count Classic and Bold or Bright) or 1 larger color variety set –

-Legos – doesn’t need to be a ‘set’ – we will use these for sculpture exploration – not to make what is on the box 😊

Additional / optional supplies will be discussed as class progresses. COVID schooling is challenging is so many ways – if you have any difficulties purchasing supplies please do not hesitate to contact me.
This year you want to make sure you have several pencils, and a separate folder to place your music papers in.

K-2 Let’s plan on making some cool drums at home out of a coffee can. Decorate them anyway you would like!

Below are some links for each grade level to check out for more fun ideas and games!

https://musicplayonline.com/modules/back-to-school-2-kindergarten/
Third grade will be making wind chimes after the beginning of the year, so start thinking of some cool ways to create musical sounds with things from home like, spoons, sea shells, measuring cups, soup cans, water bottles, keys, be as creative as you can with things from around your home!

Fourth grade will want to order recorders for learning and practice at home. A Yamaha plastic recorder under $10 will be great! You can order one from Amazon.
5th grade...start thinking of your favorite songs over the summer. Why did you like them? How did they make you feel? You will want to be sure to have pencils, and staff paper. Here is a link. We will talk about which ones you will want to print [https://staffpaper.net/](https://staffpaper.net/). Once we meet we will have some for you, but it is always great to practice from home. Be sure to check out bucket drumming! [https://musicplayonline.com/modules/grade-5-lesson-7/](https://musicplayonline.com/modules/grade-5-lesson-7/) We will also be learning some cool body percussion so let's get you caught up on rhythms. Just have fun looking at this site for now. [https://musicplayonline.com/activities/rhythm_composition/exercises/rhythm_composition/menu/menu.html](https://musicplayonline.com/activities/rhythm_composition/exercises/rhythm_composition/menu/menu.html)

And everyone don’t forget to check out Classics For kids and play these awesome musical games! We will be talking about the throughout the year. [https://www.classicsforkids.com/games.html](https://www.classicsforkids.com/games.html)

I miss everyone! Have a fabulous year! Ms. Smith
