Principal's Corner

Panther Parents,

Happy New Year! I hope the new year finds you happy and healthy. It is difficult to believe, but soon we will be mid-way through the school year. Please continue to work with your student and encourage them to perform at their best. Open communication with your student's teachers, checking the Parent Portal, good organization and planning, continued use of the school agenda, and hard work will keep students on course to have a successful remainder of the school year. Recently, parents have had some questions as it pertains to school safety. School safety is always our first priority. With that in mind, I wanted to highlight some of the security aspects we have in place at our school.

- Secure Entrances
- Locked perimeter doors during the school day
- High-tech security cameras inside and out
- Card access system for staff members
- Emergency Alert Stations throughout our school
- Emergency Button on all staff phones

In addition, staff and students take part in multiple emergency drills throughout the school year. When these drills take place, an email message will be sent to parents to make you aware. As always, we consistently remind our students to report threats, bullying or any incident that makes them feel uncomfortable to an adult.

Finally, January is School Board Appreciation Month. On behalf of the Iroquois students and staff, I would like to thank the Board of Education for their dedication to our students and our community! I wish you all a great start to 2022!

Sincerely,

Chris Gardner, Principal

DROP-OFF & PICK-UP PROCEDURES

THE CIRCLE DRIVE AT THE FRONT OF THE SCHOOL IS DESIGNATED FOR BUSSES ONLY BEFORE AND AFTER SCHOOL.

ALL STUDENTS SHOULD BE DROPPED OFF IN THE BACK OF THE SCHOOL AT THE DOORS NEAR THE TENNIS COURTS.

STUDENTS SHOULD BE PICKED UP AT THE END OF THE DAY IN THE SAME PARKING LOT AS THE MORNING DROP OFF.

PLEASE CONSIDER THE SAFETY OF OUR STUDENTS AND FOLLOW THE PROCEDURE AND RESPECT THE SPEED LIMIT.

Attention 8th grade Parents:

Please be advised that any high school application forms for the IAM or other high schools outside of Chippewa Valley Schools require a minimum of 48 hours to process. The forms are confidential and will not be returned to students or parents; rather, they will be forwarded directly to the high school in question. Please keep a copy of your child's most current report card and MEAP/M-Step scores handy as you will need them for most applications. Should you need a new copy of your child's grades, you can print them from your Parent Portal account as we cannot print official report cards at Iroquois because they are now printed through the Macomb Intermediate School District. We can provide a copy of your MEAP/M-Step scores, upon request, with a 48-hour time to process the request. All requests must be submitted in writing to the appropriate counselor.

NEWS TO KNOW

IMPORTANT PROCEDURES

(Please Read and Save)

ABSENCE REPORTING PROCEDURE - **ALL** absences, including hospital stays and vacations, should be reported to the main office by calling the attendance line. The office will then notify the teachers. **ABSENCES** should be called in before 8:00AM to (586)723-3799. Please leave the student's name, grade level, reason for absence and length of absence on the absence line. We are required to report illnesses to the Macomb County Health Department and must be advised of any illness, especially if contagious. It is also important to call the attendance line when your child is going to be tardy. If the absence is related to Covid, please contact the District Covid Nurse at 586-723-2190.

EMERGENCY INFORMATION FORM - Please make sure your child's emergency information is up-to-date throughout the year with current emergency phone numbers and authorized persons for picking up your child in case of illness. If a child becomes ill during the day, we expect that child will have a way to get home.

HOMEWORK REQUEST - Homework requests are prepared **beginning with the second consecutive day** your student is absent. The request should be left on the Attendance Line when reporting the absence. A message will be given to all involved teachers. Homework assignments will be sent to the office for pick up between **3:00 and 3:30PM**; however, most assignments are posted on Schoology. Parents are asked to bring in their child's locker number and combination to retrieve their books and folders. For students going on vacation, make-up work should be requested no later than the day they return from vacation from each teacher directly. Make-up work should be completed within the same number of school days as absent, unless special arrangements have been made with each teacher.

EARLY DISMISSAL PROCEDURE - When a child needs to leave school early, parents need to come to the office to sign the child out. Students will **only** be released to persons on their emergency form with a valid picture ID.

STUDENT MESSAGES AND DELIVERIES - If your child has called home because they have forgotten their lunch, money or any other item needed for the day, please bring it to the main office. Students are aware it is **their** responsibility to check for the item in the office. Lunches that are not picked up in the office are put on the stage in the cafeteria to be picked up during lunch time. When a delivery is unexpected, your child will be notified at a time when it will least disrupt the class.

PLEASE TRY TO MAKE EVERY EFFORT TO HELP YOUR CHILD REMEMBER THEIR THINGS FOR THE SCHOOL DAY. IT IS DISRUPTIVE TO YOUR CHILD'S LEARNING DAY IF WE HAVE TO CALL THEM TO THE OFFICE TO PICK UP THINGS OR TO MAKE A PHONE CALL TO YOU. When delivering lunches, notebooks, money, etc., PLEASE make sure your child's name is clearly marked on the item.

PLEASE DO NOT BRING THESE ITEMS TO SCHOOL . . .

- ⇒ **Perfume or cologne:** There are a couple of students that are **HIGHLY** allergic to these items. Please refrain from using them at school.
- ⇒ **Balloons or flowers:** Please do not deliver these items to students. There is simply no place for the student to keep them during the day. Also, balloons are not allowed on the busses.

IS YOUR STUDENT'S LOCKER GETTING JAMMED?

Please make sure that there is no contact paper or tape on the inside of the locker door. Also, any mirrors or magnets stuck to the inside of the door need to be away from the edge of the door. The mechanism that opens the locker door runs the entire length of the door. If anything is blocking it, that will cause the locker not to open.

Medication Administration in School

Listed below are some key points in the Chippewa Valley School District Medication Administration Policy. The purpose of the policy is to support the health needs of children during school hours and to ensure the safety of all children.

- * **Legislation on Inhalers:** Public Act 10 allows a public or non-public school student to possess and use a metered dose inhaler of a dry powder inhaler for the relief of asthma symptoms, or before exercise to prevent the onset of asthma symptoms while at school, or on school-sponsored transportation, or at any school-sponsored activity if there is written approval from the student's physician or other health care provider and the student's parent/guardian for the student to possess and use the inhaler; and the building administrator has received a copy of the written approvals from the physician and the parent/guardian.
- * Any student that requires an EpiPen, is diabetic or takes seizure medication, **MUST** have an action plan completed and on file with our Health Aide. Action Plan forms are available at the school.
- * Before any medication can be administered in school, written authorization from the child's physician and parent **must** be obtained and be on file in the school office. Separate forms are available in the main office and on the district's website for prescription and non-prescription medications.
- * All medication should be brought to school by the child's parent/guardian.
- * All medication should be in the original bottle or container. Medication not in the original bottle cannot be administered.
- * Containers should be labeled with the child's name, medication, dose, time and route of administration.
- * Information on the use and adverse effects of any medication given in school should be provided to the school by the parent, pharmacist, or physician.
- * Parents **must** notify school personnel if their child has conditions such as allergies, diabetes, or asthma, so that proper precautions/training may be put in place.

Making sure that your children are safe and healthy is our primary concern. If you have any further questions, please feel free to contact the office at 723-3700.

Attention 8th Grade Parents:

Throughout the school year, your student will be taking a series of assessments for placement into high school courses. These tests will evaluate their skills in reading comprehension, algebra readiness and other math concepts. It is **ESSENTIAL** that parents reinforce the importance of these assessments to their students. Each student must try their personal best so that they can be appropriately placed into high school courses for their freshman year.

NEWS TO KNOW

WINTER BUS RULES

Basic bus rules apply all year long; but, now that winter is here, we would like to review some rules that might especially pertain to this time of year.

1. Students should be standing at the bus stop at least 10 minutes before the bus normally arrives. After the driver turns off the flashing red lights, they may not pick up any more students at that stop. Drivers may not wait for tardy students!
2. Due to slippery roads, stay on the sidewalk while waiting for the bus to arrive. If no sidewalk is present, please stay as far back from the roadway as possible.
3. Because of possible limited visibility it is extremely important to remember to cross in front of the bus only after a signal from the driver.
4. Due to road conditions in the winter, it is very important that you wait until the bus has come to a complete stop and the door is open before approaching the bus.
5. Students must remain seated at all times. Students should leave their seat only after the bus comes to a complete stop.
6. All students should dress appropriately for the weather. Boots, mittens, hats, scarves, coats, etc., should be put on before leaving the bus. If they do forget a piece of clothing, ask the driver for it the next morning. The drivers keep such articles of clothing on the bus until claimed.
7. Please be patient when waiting for the bus. Inclement weather including rain, snow and sleet will cause traffic delays and the buses to run behind schedule. The buses may arrive late but they will be there. Please watch or listen to the following radio and television stations for any school closing information:

**** WDIV Channel 4 WXYZ Channel 7 WJBK Channel 2 WJR AM 760 WWJ AM 950 ****

News from NJHS

By Colin Gebby, Historian

The Iroquois National Junior Honor Society would like to congratulate the 2021-2022 Executive Board:

President - Morgan Alderson

Secretary—Jenna Merandi

Vice President - Nathan Yearkey

Historians—Colin Gebby and Emily Hinson

The new members of the Iroquois National Juniors Honor Society have been hard at work volunteering in our community! You may have seen us ringing the bells for the Salvation Army Red Kettle outside of Emagine Macomb and Kroger, volunteering for 31 hours and raising \$1,747.34! A special thanks to Mrs. Mahar for coordinating this for us!

Along with the Salvation Army, several other organizations received donations including Forgotten Harvest, Treats for Troops, the Humane Society and other animal rescue groups! In addition, our members showed school spirit when they ran concessions at various sporting events and helped at the Sequoyah Holiday Hoopla! For those who don't know what a hoopla is, don't worry...because I don't either!

Other members have been hard at work with more personal duties due to the pandemic by writing influential messages throughout the neighborhood, weeding, making cookies and care packages for those in need, and much more. This, on top their constant dedication to their studies, is quite a feat. Keep up the good work everyone!
