Note: Any vendor that will be on CVS property using interactive equipment or inflatables, etc. (i.e., bounce houses, inflatable obstacle courses/slides, mechanical bulls, balloon artists, petty zoos, face painting, etc.) for any events require a *Certificate of Liability Insurance (COI)* to be on file at the Business office prior to the event taking place. Community Support Group should contact the vendor to request an updated COI if it has expired.

Chippewa Valley Schools must be listed as an "additional insured" (19120 Cass Avenue, Clinton Township MI 48038).

The certificate should be made out to cover one year.

Submit copy of COI to Laurie Stevenson in the Business office.
