

# Everyday Heroes

Thankful for Essential Workers

## Community Clap Out

Join us for a nightly community clap out to honor and thank the essential workers that keep us safe, healthy and informed. The clap out will begin at **7:00 p.m. each night, Monday through Friday**, and last for two minutes. Feel free to stand outside your home and clap, clank pots and pans, play instruments, cheer, or make signs to honor those that are our Everyday Heroes.

Be sure to tell your family and friends that are near and far to join us for the nightly Community Clap Out. We can stand together to demonstrate kindness, love and appreciation.

Feel free to send pictures or videos to your teacher, principal or post on social media. Use the hashtag **#ClapBecauseWeCare** when posting. If you would also like to be a part of the CVS Photo Montage, add pictures or a ten second video [here](#).

With Love,

From the Chippewa Valley Community and Many Friends, Near and Far
