1½" binder
3-4 dividers

ELA

1 ½ inch binder
5 Dividers
Ear buds
Loose leaf paper

Backpacks

Maximum width: 10 inches

Maximum depth: 10 inches

Height may vary

No wheels on backpacks

Choir

1 inch binder w/clear cover
(nothing larger please)
A pencil case to fit 3-ring binder
4-5 pencils
2 highlighters
White board marker

Band

½ Inch 3-ring binder
20 plastic sheet protectors
Pencil case that fits in binder
Three pencils

*Individual teachers may have some additional requests.

A suggestion from former 6th graders:

If you have your supplies before school starts, bring them to school and place them in your locker when you have the opportunity to try out your new locker. Trapper Keepers ARE NOT required and are too bulky to fit in lockers

7th Grade

General Supplies needed for all core classes

2 boxes of tissue given to homeroom teacher
Pack of lined paper
Pencils and erasers
Colored pencils
Pens (different colors)
Highlighters (4 colors)

White board marker

Careers (required 8th grade class)
Folder

***Math teachers require a 1 ½ - 2" binder for their class

***At times your child will need a dictionary, thesaurus, and calculator for homework. It would be helpful to have these items at home for his/her convenience.

***Each math classroom has a set of Texas Instrument calculators capable of solving problems with fractions, decimals, and exponents. You are encouraged to purchase your own calculator with these capabilities for home use. We use TI 73 graphing calculators in 6th grade, and TI 84 graphing calculators in 7th and 8th grade.
