4th Grade Suggested Supply List

Here is a list of suggested school supplies for the 2020-2021 school year. On this list you will find some standard items that our students will be using in their classes. Please keep in mind that this is just a recommended list for those parents who are interested in purchasing supplies over the summer in order to take advantage of back-to-school sales. We recommend that parents stick with the basics to help minimize costs. Keep in mind that this list is only a suggested supply list. Individual teachers may have other recommendations in the fall.
