

FIRST GRADE SUPPLY LIST

Here is a list of Suggested School Supplies for the 2021-2022 school year. On this list you will find some standard items that our students will be using in their classes next year. This is a recommended list for those parents who are interested in purchasing supplies over the summer in order to take advantage of back-to-school sales. We recommend that parents stick with the basics to help minimize cost. Remember, individual teachers may have specific requests in the fall.
