

CLASSLINK FOR PARENTS-DIRECTIONS

What is ClassLink? ClassLink is an online dashboard of commonly used apps and websites. It allows parents to log in once and access district websites on any device without having to locate each one separately.

STEP 1: ACTIVATING YOUR ACCOUNT

1. Go to <https://parents.classlink.com/cvs> or scan the QR code!
 2. Enter the email address you use for PowerSchool Parent Portal.
- *You must have a PowerSchool Parent Portal account registered to have a Classlink Parent account. If you have not signed up for parent portal, click [here](#) or visit the "For Parents" section on the CVS website for directions.
3. Classlink will send a one time verification code to your email. Enter that in the space provided.
 4. Enter your full name and choose a password.

Now you can easily access your favorite applications like PaySchools Central, Eleyo, PowerSchool Parent Portal, transportation, and more!

CLASSLINK FOR MOBILE DEVICES:

The ClassLink app is available for both IOS and Android.
*You must activate your account in a browser before signing in on the app.

1. Download the "ClassLink LaunchPad" app to your device.
2. Enter your email address and password.

STEP 2: CUSTOMIZING YOUR DASHBOARD

- Apps can be dragged and dropped into any order.
- Folders and apps can be created and deleted, but district provided apps cannot be removed.
- You can add your own links to websites that are not pre-populated for you.
