# Using DreamBox at Home

## Logging In - Computer

1. Go to ClassLink from the Student Links on the CVS website, or go to: https://launchpad.classlink.com/cvsmi

2. Enter the student's username and password and click the sign in button.

   - To use a QuickCard (K-1), click on the QuickCard icon.

   - If you need assistance with your student's username and password, please contact their classroom teacher.

3. Click on the DreamBox icon. A new tab will open and automatically log the student in.

   - If the student times out or gets logged out of DreamBox, close the DreamBox tab and go back to the ClassLink to access DreamBox again.
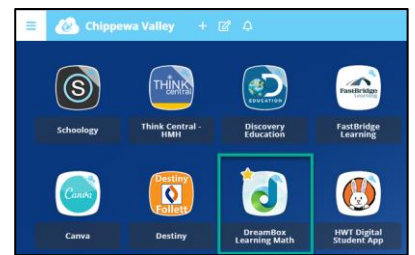

### Logging In – Tablet
1. Install both the ClassLink and DreamBox apps on your tablet.
2. Log in to ClassLink and then click on the DreamBox icon on the ClassLink Launchpad.
3. The installed DreamBox app will open and automatically log the student in.

# Setting Learning Expectations at Home

## Home Usage Advice

✓ DreamBox recommends completing at least 5 lessons each week for all ages.

✓ Have a quiet space for your child to play DreamBox, or ensure they have access to headphones. The directions and feedback are important to their success!

✓ DreamBox lessons are personalized to your child based on their strategies and understanding. It is important to let your child work as independently as possible through their DreamBox lessons.

✓ Encourage them to use the 'Help' and 'Hint' buttons in their DreamBox lesson.

### Encourage These Healthy Student Habits for Success in DreamBox

1. **Try every problem:** persist even when it is hard. ✔

2. **Finish every lesson:** persevere instead of choosing another lesson. ✔

3. **Utilize In-lesson support:** the feedback, hints, and help are created to assist you. ✔

4. **Use headphones with volume on:** listen to the directions, assistance, and feedback. ✔

5. **Work Independently:** don't let others do your work for you. ✔

# Setting Up Family Dashboard

1. Have your student log in to DreamBox.  At the bottom of your student's DreamBox page, click on "Set up parent access".

2. Enter your personal email address, create a password and click submit.

3. You will be taken to the parent dashboard log in page.  Enter the email address and password created in step 2 and select Family Dashboard.

4. Select Family Dashboard again.
   - Your student can access their account from this screen as well.

5. To access the Family Dashboard login again go to: https://play.dreambox.com/play/login
